FOREWORD

With a sense of gratification the editorial staff of The Florida Bar **Journal** presents this 15th annual special edition. No matter how burdensome the task, the reward is heightened as requests for copies of previous issues are still being made even as this one nears publication. Members of the Bar ask for additional copies for use in their offices, and the demand by state agencies and individuals increases each year.

An effort is made to include new information and present it better with each printing.

The roster sections are reproduced from a computer printout. The type size may be smaller and not as easy to read as before, but because of the speed of the computer the addresses are more current. All membership records of The Florida Bar were converted to a computer last fall, providing a more economical, faster, and a more accurate means of addressing and listing.

The staff is grateful to Thomas B. Slade III of Jacksonville, interested member of the Committee on Economics and now president of the Young Lawyers Section, for writing the featured article in this special issue. Appreciation is also extended to court officials and officers of legal organizations who responded promptly to requests for information included herein. To Mrs. Nancy McDaniel, supervisor of membership records at the headquarters office, to Mrs. Barbara Sauls, section and committee coordinator, and to Miss Peggy King, **Journal** secretary, we give our thanks for their special efforts to make this a more useful publication.

Most Florida lawyers rely heavily on "desk books" for quick reference to needed information. If used properly this annual special issue of The Florida Bar **Journal** can be the most helpful volume in your library.

Each year the staff has sought to improve the publication by including that information most likely required by the lawyer or judge in his daily endeavors. You may not be aware of the information available in this publication so as to utilize it fully in the next year. For that reason I suggest that you browse through it or at least examine the Table of Contents. You may be saved substantial time and effort later on.

This special issue is but one of the means by which the Board of Governors and the dedicated staff of The Florida Bar seek to improve and expand the services rendered to the membership. Your comments and recommendations directed to me or to the Editor will be given thoughtful consideration for future editions.

Included herein you will find a listing of committee appointments for this administrative year. As you have opinions concerning the practice of law, judicial administration, law reform, the integrated bar or any other related matter, make this opinion known to the appropriate committee or to the officers of your Bar. From these views and expressions and from the involvement of as many members as possible will evolve an even greater, professional organization.

Sincerely yours,

Marshall M. Criser

FOREVER  AMBER

BY THOMAS B. SLADE III

"The price of medical care. . .has gone up far more than anything else in recent decades, due to a continuous heavy demand for those particular services, combined with relatively small increases in their supply. Thus there has been a sustained excess demand for medical services, pulling their prices up." Lawrence S. Ritter, Professor of Finance and Chairman of the Department of Finance, Graduate School of Business Administration, New York University, writing for Manufacturers Hanover Trust Company's April, 1968 monthly economics letter.

Dr. Ritter has put his finger on the real reason for the relatively high average income of doctors. If a doctor had but two or three patients to treat each day, he could do without his four examining rooms, two nurses, lab assistant and receptionist. He could return to riding house-to-house through the countryside. Specialization, assembly-line procedures and extensive use of lay assistants, the reasons usually given for the doctor's financial success, are simply the ways he has increased his ability to meet the demand for his services.

Now, let us turn to a consideration of the present posture of demand for legal services. When Abe Lincoln was phrase-making about our stock in trade, lawyers were not needed for matters before the Interstate Commerce Commission, the Securities and Exchange Commission, the Federal Trade Commission, the Federal Power Commission, the Pure Food and Drug Administration, the Federal Aviation Agency or the Federal Communications Commission.

Procedures in connection with federal, state and local taxation are getting more complicated every day, as are the legal considerations in many quite common commercial transactions. The ratio of increase in the volume of personal injury litigation and divorce has far exceeded the ratio of increase in population. We have Workmen's Compensation. We have eighteen million people in labor unions that are involving themselves with an increasing number of employers. And every time the OEO finances an indigent's cause against his landlord, the latter needs the services of some private practitioner.

What are we lawyers waiting for? For all the traffic lights to freeze on amber? Will there be enough litigation then? Or

Are lawyers waiting for the traffic lights to freeze on amber? The demand for legal services is at its peak, the light is on go. Increase your output and base your fee on effort, not results.

isn't there enough demand for legal services right now?

Everywhere in Florida, lawyers tell me they have more work than they can handle properly. Very few of us delude ourselves into thinking that either our health or our practice requires us to devote a couple of office hours each day to dawdling over the newspaper and the coffee. Most of us work long hours. So, let us not quibble over recognition that demand for the services of lawyers is strong, if not at an all-time high.

And let us face squarely the likelihood that if lawyers can't achieve high income in a time of unparalleled prosperity and affluence such as this nation is experiencing today, in all probability our profession never will. If you want a higher income, don't count on the coming of better times to produce it. There may be no better time than now. Depend, instead, on increasing your output and charging more for it.

Much is being said and written on the subject of increasing our output. For instance, we are being encouraged to practice in partnership, to specialize in the kind of work we will handle and to give more responsibility to the lay personnel in our offices, in order that we may improve our ability to process more work faster. It is certainly of the utmost importance that we be prepared to provide, at the time that it is needed, the high quality of service that desirable clients can be expected to demand. This brief article, however, will be concerned with how most of us should raise our fees – even when we have successfully multiplied our output.

Clients Are Willing to Pay Fair Fee

It has unquestionably been my experience that those who need and can afford lawyers are willing to reasonably compensate them. It may be human nature to *want* to obtain something free, but the very few who *expect* to do so should not have a significant effect upon the average income of lawyers.

However, our clients' willingness to fairly pay us for our work does not for a moment imply that our clients do not wish to be satisfied that they are receiving value for their money. In this platitude lies the core of our problem; because we do not know what clients want to pay for. We think they want to pay some amount proportionate to the degree that favorable results were obtained.

They do not.

Results are not the primary consideration of the average client who is making up his mind whether or not he has received value for the fee he has just been asked to pay.[1]

To the average client, either the results obtained or the so-called "custom-of-the-community," or the responsibility involved, or the skill required, or what may be indicated by the minimum fee schedule deserve about as much bearing on the amount of his lawyer's fee as the color of his car has to do with the price he must pay for gasoline. And yet more than half the lawyers of Florida consider these factors paramount in setting fees.[2]

Pay for Effort, Not Results

Clients want to pay for the *effort* we exert in their behalf.

Effort.

So while we bill on results, custom-of-the-community, minimum fee schedules or another of these favorite yardsticks, and rarely overcharge I am sure, our clients nonetheless try to translate our fee statements into terms of the effort we have expended for them, because that is the way clients think. It is as if *eighty-seven* per cent of the consumers of soft drinks were using them for hair tonic, while the bottlers continue to blindly promote flavor and refreshment value.

Well, some will say, if it is conceded that our traditional yardsticks rarely produce an overcharge, of what independent importance is further examination of the derivation of the fee?

None, if the lawyer is concerned only with satisfying himself that the client was not overcharged. But if the lawyer wishes to satisfy the *client* that the client was not overcharged, then the lawyer must understand what it is that his client expects to pay for – effort – and must make certain he adequately demonstrates this quality to his client in proportion to the amount of the fee requested.

And if the lawyer wishes to satisfy himself that the client was not *undercharged,* then the only way the lawyer can be certain of the amount of effort expended in that client's behalf is to maintain records which will show the time he devoted to the matter. Any one of several conventional timekeeping systems can, and should, be used by the lawyer for this purpose.

Keep Time Records

I AM THOROUGHLY CONVINCED THAT THE SINGLE PROCEDURE MOST LIKELY TO SUBSTANTIALLY INCREASE THE INCOME OF THE MAJORITY OF THE MEMBERS OF OUR PROFESSION IS THE FAITHFUL KEEPING OF COMPLETE AND ACCURATE TIME RECORDS FOR ALL TIME SPENT IN THE OFFICE AND ALL TIME OUTSIDE THE OFFICE SPENT ON CLIENTS' BUSINESS.

One of the simplest ways to demonstrate most of the effort we are expending on behalf of our clients is to send them a copy of everything we receive or produce in their behalf: letters, pleadings, drafts of contracts, transcripts of depositions, notices, memoranda, receipts, *everything.* In our initial conference with the client, we can inform him of our routine procedure in this connection and impress upon him that he is not expected to respond to these copies unless by letter of transmittal we have

1. The Missouri Bar received the ABA's 1963 Award of Merit for a survey wherein laymen were asked, among other questions, the following: "What would you list as the most important factor in setting charges for legal fees?" The response mentioned "effort expended by the attorney" more than seven times as often as "success of result," almost eight times as often as the lawyer's skill and experience, and three times as often as the client's ability to pay. Prentice-Hall, Inc., *A Lawyer's Practice Manual* (1964).

2. The Florida Bar, *Economic Survey of Florida Law Practice* (1966).

Thomas B. Slade III of Jacksonville is president of the Young Lawyers Section of The Florida Bar. He was chairman of the Bar's Economics of Law Practice Committee in 1966-67, and worked with the committee and Bar officials in conducting a survey of the economic condition of Florida lawyers. He then served as chairman of a steering committee to present a course and prepare a practice manual on Florida Law Office Management and Procedure as part of the Bar's Continuing Legal Education program. Slade is a graduate of the University of Virginia.

requested him to do so. This operation should be handled automatically by our secretaries, without the necessity for our making decisions as to particular items and without regard to how trivial the contents of any item. By religiously adhering to this practice, we can be sure that whenever we have finished a particular matter for a client, he will have a file identically the size of ours. Even where our client has not been saving these copies, by using our detailed time records we can refresh his memory of them and further demonstrate our effort with a fee statement itemized somewhat like this one:

Mr. James S. Carroll
3990 Lake Drive
Orlando, Florida

January 25, 1968

Re: Robison's Assumption of Johnson Mortgage

For the following professional services: 10/25/67 – initial conference with you by telephone, examination of documents in closed Johnson mortgage file and second telephone conference; 11/7/67 – conference with you in my office; 11/14/67 – letter to State Bank Collection Dept.; 11/20/67 – second letter to State Bank; 11/21/67 – demand letters to Johnson and Robison; 11/24/67 – letter from Robison's attorney, telephone conference with you, letter to attorney and telephone call from State Bank; 11/27/67 – letter from you, examination of copy

Mr. James S. Carroll
January 25, 1968

of letter from State Bank to Robison's attorney, additional examination of mortgage file documents and telephone conference with you; 11/28/67 – letter from attorney; 11/29/67 – telephone conference with you; 12/1/67 – letter to attorney; 12/14/67 – conference with you in my office; 12/20/67 – letter from you; 1/13/68 – examined documents enclosed with attorney's 1/12/68 letter, draft assumption agreement and letter to attorney; and 1/25/68 – examination of executed and recorded assumption agreement $420.00

My firm's file on the case in which we submitted substantially the above fee statement not only illustrates demonstration of effort to a client. In a sense, it can also serve as an example of the value of faithfully keeping complete and accurate time records. Because, as is the case with most lawyers' files, our file itself did not reflect the occurrence of all the several office and telephone conferences that were recorded in the time sheets, let alone disclose the amount of time they consumed; and I am confident that most of us (including the lawyer who actually performed all the work on that file) if asked to bill that case without

being given access to the applicable time records, would have set a fee somewhere between $150 and $250.

The $420 actually billed in the Carroll case was promptly paid.

If every lawyer in this state could somehow be persuaded to bill his clients from time sheets, instead of estimating that he performs services in perhaps half the time they actually require, the average income of Florida lawyers would rise substantially.

"Timekeepers" are often amazed to discover the number of hours they have invested in a particular case. But the regular keeping of time records eventually makes us more aware of approximately how much time particular procedures will regularly demand of us. And until we become accustomed to the amount of time certain jobs *really* take, it is much better to be amazed, amazed all the way to the bank, than to be dumbfounded over how busy we are and how little we earn.

Of course, when we handle a matter that requires several hundred hours, it is impractical to itemize our fee statement as completely as we did in the Carroll case, but it remains important that the statement be detailed at least sufficiently to perform its all-important function of demonstrating our effort. Notice how general we are in the fee statement below, but how we nonetheless manage to call attention to the numerous services we performed.

Another practice we should all adopt

underwriter, including two such conferences in New York prior to closing; preparation of various documents, resolutions and certifications required for closing; and rendering opinion as to the due organization and good standing of company and each of its subsidiaries, the accurateness and truthfulness of the registration statement and the prospectus and the validity of such stock and the other items required by the underwriting agreement $12,250.00

as standard procedure: whenever we finish a conference or telephone conversation with or for a client, we should make our memorandum of it in the form of a letter to the client. This gives us and our client a record of all of our conversations with him and discloses the effort we have expended in his behalf by our conversations with others. We should have the memorandum for our own purposes, if we wish to be thorough, and the two or three minutes of extra care required to render it in letter form will be paid for gladly by the client.

NOW, HAVING DEMONSTRATED OUR EFFORT BY HAVING KEPT OUR CLIENT INFORMED OF EVERYTHING WE WERE DOING FOR HIM AND BY HAVING SENT HIM A DETAILED FEE STATEMENT, AND ASSUMING THAT WE POSSESS CONFIDENCE IN OUR PROFESSIONAL ABILITIES, THEN THE FEE THAT WAS SUBMITTED SHOULD HAVE BEEN FIXED ACCORDING TO THE AMOUNT OF TIME DEVOTED TO THE MATTER AND OUR USUAL HOURLY RATE, WITHOUT REGARD TO THE OUTCOME OF THE MATTER BEING HANDLED.

Unless you are independently wealthy and practice law for mental stimulation only, you cannot often afford to indulge yourself in the luxury of feeling sorry for unsuccessful clients. Whenever you're in a generous mood, look homeward instead – imagine how thrilled your boy might be with that $175 surfboard like the one the surgeon's son has.

Cutting Fee A Way of Accepting Blame?

Let us visualize billing a case where, because of the amount of work we have done, our fee should be $2,000. But suppose we send a statement for $1,000, because our client lost in the lawsuit. The client will surely think that we regard the $1,000 as being a reasonable fee for our efforts in his behalf. He will have no cause to suspect our generosity; unless we tell him, of course – in which case, if he isn't convinced that our charity spiel is just so much hogwash, we risk his concluding that we cut our fee because we accept some responsibility for the adverse verdict. Perhaps the lawyer who bills a nominal fee to his unsuccessful client actually encourages the client to blame the lawyer for the loss, since it's human nature to want to blame someone other than one's self.[3]

Let's not live in constant fear of over-billing our clients. If we have successfully demonstrated to a client all the competent and efficient effort we have spent in his service, he will know we are entitled to our reasonable fee, win or lose. Try him.

Obviously, these last comments are not applicable in the classic contingent fee situation, where the lawyer gambles with his client on the success of the case or venture, and funds for payment of the fee will be available only if they prevail. The suggestion of a contingent fee under any other circumstances, however, should certainly not originate with the lawyer. If a contingent arrangement is sought by the client, of course, there is no reason to refuse it where we feel the probability of success is reasonably good and the amount of the fee reflects an additional incentive for its uncertainty.

We cannot set a fee from our time-

3. When delivering one of his very fine talks which includes the subject of this article, J. Harris Morgan of Greenville, Texas, once gave the example of the reasonable fee that he billed (and which was promptly paid) after a very burdensome divorce decree was entered against one of his clients. Morgan said, "I was shocked at the outcome, sympathetic for my client's plight and tempted to reduce my fee; but I reminded myself that I had rendered valuable professional service to the very best of my abilities, that I have confidence in and respect for my abilities, and that it wasn't I who had been sleeping with the nurse."

sheets where its amount is fixed by statutory formula, either; but we should nonetheless maintain our time records for these and all other matters as a double-check on their profitability. There are many good and worthwhile reasons why we all must from time to time handle matters that are not financially rewarding, but let us always recognize each such case for what it is.

Too, we often encounter clients who want a commitment from us, in advance, as to precisely what our services will cost them for the particular matter they propose. We certainly do not refuse to take on their work. We should quote a fee based on experience and keep time records on the case to augment that experience for the future. Even where the client has not insisted on a commitment as to the fee, we should always, in the first conference with the client, give him an indication of approximately what we expect our services will cost and describe to him how the fee will be computed from time records kept for that purpose. (We should not, however, reveal our hourly rate, since it is likely to appear quite high by comparison with the wage rates of many clients, unless we are prepared to go into the whole explanation that the amount per hour is simply a convenient unit of measurement which includes rent, electricity, secretarial salaries, maintenance of library, etc.)

To summarize, first it is all-important that each of us recognizes his own competency and value and the present existence of demand for legal services coupled with clients' willingness and ability to reasonably compensate for them. Ordinarily, we should:

1. Advise our client of the approximate fee in the first conference with him.
2. Demonstrate effort by
   (a) providing the client with copies of everything in our file,
   (b) writing the client memoranda of all conferences, and
   (c) sending the client a detailed fee statement.
3. Keep complete time records.
4. Fix fees without considering results.

There are many lawyers who adhere to these procedures. Some of them are in Florida. They haven't frightened off their clients. They are doing quite well.

When we all join their ranks, we will find the practice of law far more financially rewarding than it is today, we will be giving better service, and our clients will be far better pleased with us than they are now.

Integration Rule
of The Florida Bar

Pursuant to the inherent powers of the Supreme Court of Florida, the Integration Rule of The Florida Bar is hereby amended to read as follows:

PREAMBLE

To inculcate in its members the principles of duty and service to the public, to improve the administration of justice, and to advance the science of jurisprudence, the following principles are expressly adopted by this Court:

(a) The Florida Bar, a body created by and existing under the authority of this Court, is charged with the maintenance of the highest standards and obligations of the profession of law, and to that end is vested by this Court, in the exercise of its inherent powers over The Florida Bar as an official arm of this Court, with the necessary powers and authority.

(b) Attorneys admitted to practice law in Florida are a part of the judicial system of Florida and officers of its courts.

(c) Persons of integrity and good character only shall be permitted to practice law in Florida.

(d) This Court has the inherent power and duty to prescribe the qualifications that shall be required for admission to practice law, to admit suitable persons to practice law, to prescribe standards of conduct for lawyers, to determine what constitutes grounds for discipline of lawyers, to discipline for cause attorneys admitted to practice law in Florida, and to revoke the license of every lawyer whose unfitness to practice law has been duly established.

(e) All of the members of The Florida Bar have taken an oath to support the Constitution and the laws of this state and of the United States. As officers of the court, they are charged with obedience to these laws, both in and out of court, and with the duty to observe the high standards of the profession. A license to practice law is a proclamation by this Court that the holder is one to whom the public may entrust professional matters. The lawyer must be true to that trust and to his professional relationship to his client, whether such client be a public body or a private individual.

Article I
NAME

The name of the body created by this Rule shall be THE FLORIDA BAR.

Article II
MEMBERSHIP

1. All persons licensed to practice law in this state shall be active members of The Florida Bar immediately upon the issuance of license to practice by this Court.

* As revised by the Supreme Court of Florida on 6 December 1955, 17 November 1958, 11 October 1961, 13 December 1961, 19 May 1965, and 17 January 1968. All amendments ordered by the Supreme Court of Florida, prior to 15 June 1968 are incorporated herein.

2. No person shall engage in any way in the practice of law in this state unless such person is an active member of The Florida Bar in good standing except that a practicing attorney of another state, in good standing, who has professional business in a court of record of this state may, upon motion, be permitted to practice for the purpose of such business only, when it is made to appear that he has associated and appearing with him in such business an active member of The Florida Bar.

3. A member of The Florida Bar in good standing may, upon petition to and with the approval of the Board of Governors, resign from The Florida Bar and, thereupon, unless again admitted, shall not practice law in this state. A member who has resigned may be admitted again upon full compliance with the rules and regulations governing admissions to the Bar.

4. Any member of The Florida Bar who shall have attained the age of 65 years, or who shall have practiced law in the State of Florida for 35 years, or who shall be physically disabled to the extent that he cannot engage in the practice of law, may retire from The Florida Bar upon petition to and approval by the Board of Governors. A retired member of The Florida Bar shall not be privileged to practice law or be required to pay dues. A retired member may be reinstated to active membership upon application to and approval by the Board of Governors.

5. A lawyer who has been adjudged insane or mentally incompetent shall be suspended from the practice of law. If an order of restoration is entered by a court having jurisdiction, he may apply to the Board of Governors for reinstatement on the roll of attorneys.

6. It shall be the duty of each member of The Florida Bar immediately to advise the Executive Director of any change of mailing address or military status.

7. Professional service corporations organized under The Professional Service Corporation Act are not prohibited by this article from engaging in the practice of law, so long as such corporation and all of its shareholders, officers, directors, agents and employees who are members of The Florida Bar comply with the applicable provisions of the Integration Rule and By-Laws of The Florida Bar.

Article III
BOARD OF GOVERNORS

1. The Board of Governors shall be the governing body of The Florida Bar. The Board shall consist of the President of The Florida Bar, the President-elect, the President of the Young Lawyers Section, the President-elect of the Young Lawyers Section who shall not be entitled to vote except in the absence of the President of the Young Lawyers Section, and representatives elected from the active members of The Florida Bar in each judicial circuit. Unless increased because of the provisions of sub-paragraph (d) below, the total number of representatives elected from judicial circuits shall be twice the number of the total of all the judicial circuits as constituted at the time of the election. The circuit representatives shall be apportioned among, elected from and hold office for the terms as in this Article provided.

(a) One-half of the circuit representatives shall be apportioned among and elected from the judicial circuits on the basis of one representative from each circuit.

(b) One-half of the circuit representatives shall be apportioned among and elected from the judicial circuits on the basis of the number of active members of The Florida Bar residing in each circuit. The formula and mechanics of this and for determining the number of representatives in this manner apportioned to and elected from each judicial circuit shall be: first, determine the average number of active

members of The Florida Bar residing in each judicial circuit by dividing the total of the number of judicial circuits into the number of active members of The Florida Bar residing in Florida, and then divide the resulting average into the number of active members of The Florida Bar residing in each judicial circuit. Apportionment among and election of representatives shall be in accordance with the results thus obtained and by apportioning to each judicial circuit of one representative for each multiple of one of the results obtained and one for each fraction thereof in accordance to size in descending order from the largest fraction to the next largest fraction and so on until all representatives are apportioned to judicial circuits.

(c) The Executive Director shall annually, as of December 15, from the records of The Florida Bar, certify to the Clerk of the Supreme Court of Florida the number of active members of The Florida Bar residing in each judicial circuit, and his certificate or a notice thereof shall forthwith be published in The Florida Bar *Journal*. This certificate of the Executive Director of The Florida Bar shall be the basis of apportionment of circuit representatives elected to the Board of Governors in the ensuing bar judicial circuit elections. Any vacancy in the office of circuit representative reflected by an annual certificate shall be filled in the next ensuing circuit elections even though the vacancy arises in a circuit which would not otherwise be holding an election because of the staggered terms provided for in this article.

(d) All circuit representatives elected to the Board of Governors shall serve out the full term for which elected even though a subsequent circuit membership as certified by the Executive Director discloses a reduction in the number of representatives to which any judicial circuit is entitled.

(e) Any circuit representative elected prior to the effective date hereof shall serve out the remainder of the term for which he was elected, and his representation shall be charged as one of those apportioned to the judicial circuit from which he is elected.

2. The members of the Board of Governors from each judicial circuit shall be nominated and elected by the active members of The Florida Bar residing in such judicial circuit. Each elected member shall hold office for two years and until his successor is elected and qualified, except that members elected in circuits holding special elections required by sub-paragraph (c) above shall be elected for terms of one year. Elections in odd numbered circuits shall be held in odd numbered years, and elections in even numbered circuits shall be held in even numbered years. The By-Laws shall provide for all nominations and elections of members of the Board of Governors. Newly elected members shall take office at the conclusion of the annual meeting of The Florida Bar following election to office. Any vacancy on the Board of Governors arising in the office of representative from a judicial circuit shall be filled by vote of the remaining members of the Board for the unexpired term from the active membership of such circuit.

3. The Board of Governors shall have the power and the duty fully to administer this Rule, including the power to employ necessary personnel, and to publish The Florida Bar *Journal*, which shall be the official publication of The Florida Bar. The Board of Governors shall adopt, amend or rescind the By-Laws in the manner provided in this Rule, and it shall adopt a common seal.

Article IV
OFFICERS

1. The officers of The Florida Bar shall be a President, a President-elect, and an Executive Director.

2. A President-elect shall be elected each year in the manner prescribed by the By-Laws, and shall take office as President-elect for the following year at the conclusion of the annual meeting following election to office. The President-elect shall take office as President at the conclusion of the annual meeting following his term as President-elect.

3. In the event the President is absent or unable to act, his duties shall be performed by the President-elect; and in the event of the death or resignation of the President, the President-elect shall serve as President during the remainder of the term of the office thus vacated, and then shall serve as President for the term for which he was elected. In the event of the death or disability of both the President and the President-elect, the Board of Governors shall elect an Acting President of The Florida Bar to hold office until the next succeeding annual meeting.

4. No active member of The Florida Bar shall be ineligible for election to the office of President or President-elect by reason of the fact that as a representative or representative-elect from a judicial circuit he is a member or member-elect of the Board of Governors; but anyone elected to the office of President or President-elect shall be entitled to cast only one vote on matters of business coming before the Board for consideration.

5. The Executive Director shall be chosen annually by the Board of Governors. He shall perform the duties of and serve as the Treasurer, and shall perform such other executive, editorial and administrative duties as may be assigned to him by the Integration Rule, the By Laws, and by the Board of Governors. He shall furnish bond as directed by the Board of Governors.

Article V
SECTIONS AND COMMITTEES

1. There shall be a section of The Florida Bar composed of all active members under the age of 36 to be known as the Young Lawyers Section, with such powers and duties as shall be prescribed by the Board of Governors of The Florida Bar.

2. The Board of Governors may create such additional sections as it may consider desirable, and shall prescribe the powers and duties of such sections.

3. Regulations adopted by any section shall be subject to the approval of the Board of Governors of The Florida Bar.

4. The Board of Governors may create such standing committees as it may deem desirable.

5. The powers and duties of all standing committees shall be prescribed by the By Laws. The Board of Governors may in its discretion provide that members of such committees shall serve for staggered terms.

6. The President, with the approval of the Board of Governors, shall appoint the standing committees as specified in the By Laws, including an Executive Committee composed of the President and not less than three nor more than five other members of the Board, and such special committees as he may deem desirable.

7. The Executive Committee shall have the power to act upon such matters as may arise and require disposition between meetings of the Board of Governors. Actions taken by the Executive Committee shall be in harmony with the policies as established by the Board, and shall be subject to confirmation by the Board.

Article VI
MEETINGS

1. An annual meeting of The Florida Bar shall be held each year not later than July 1st at such time and place as may be designated by the Board of Governors. At or prior to the annual meeting, there shall be made or published an address by the President on the state of The Florida Bar, reports of the proceedings of the Board of Governors since the last annual meeting, reports of officers, sections and committees, and recommendations submitted in connection with these reports.

2. Special meetings of The Florida Bar may be held at such times and places as may be determined by the Board of Governors. The Executive Director shall call a special meeting of The Florida Bar upon petition signed by not less than 20 per cent of the active members, and such special meeting shall be called within 30 days after the petition is filed with the Executive Director. The business to be transacted at special meetings shall be as is specified in the call, which shall include the business set forth in the petition and such other matters as may be specified by the Board of Governors.

3. At least 20 days' notice of all meetings of The Florida Bar shall be given to the membership.

Article VII
BY-LAWS

By-Laws, not inconsistent with this Rule, may be adopted, amended, altered or repealed by the Board of Governors or by the active members of The Florida Bar at a regular or special meeting. All such by-laws, amendments, alterations or repeals shall be promptly published in The Florida Bar *Journal*. The action of the members of The Florida Bar, or the Board of Governors, in this respect, may be the subject of a petition for review to be filed in this Court within 30 days after such publication. The petition shall be signed by at least 25 active members of The Florida Bar. This Court may consider the petition for review in such manner as it deems proper and may approve, modify or disapprove the action under review.

Article VIII
DUES

1. On or before January 1st of each year every active member of The Florida Bar shall pay annual dues to The Florida Bar in such an amount as shall be set at an annual meeting, and shall also file with the Executive Director a statement setting forth his business and residential addresses and any other information that may be required by the Board of Governors, provided that at no annual meeting shall the dues be fixed at more than $37.50 per annum, provided further that dues for active members who are on active duty with any of the Armed Services of the United States shall not be fixed at more than $10.00 per annum. The amount of dues payable shall be determined by the status of the members on January 1 of each year.

2. When any member is in arrears in the payment of dues for one month, the Executive Director shall send written notice by registered or certified mail to such member at his last business address. Within 90 days after the posting of the notice, such member may pay his dues in full, together with a delinquency charge of five dollars. Upon failure to make these payments within the 90-day period, he shall become a delinquent member, entitled to none of the privileges of membership in The

Florida Bar, and shall not practice law in this state. He may thereafter reinstate this membership upon petition to and approval by the Board of Governors and the payment of all fees and charges owing by him, including a reinstatement fee of ten dollars.

3. Dues shall not be payable until January 1st next following date of admission to The Florida Bar.

4. The Executive Director shall furnish the county judges and the clerks of all courts of record in each county a list of all active members in good standing in their respective counties and shall furnish corrections and additions to such list as occasion may require. A list of all active members in good standing in the state, and corrections and additions, shall likewise be filed with the Clerk of the Supreme Court.

5. The annual dues of The Florida Bar shall not include the dues of local or regional voluntary bar associations, and shall not be shared with such associations. The Florida Bar may, however, as it sees fit, cooperate with and encourage local or regional voluntary bar associations.

Article IX
FISCAL CONTROL

1. *Budget Committee.* The President-elect, with the approval of the Board of Governors, shall appoint a Budget Committee consisting of not less than five members, whose responsibility shall be the budget for the fiscal year during which the president-elect shall serve as president. The term of office of such committee shall be for the two years in which the president-elect making the appointment shall serve as president-elect and as president.

2. *Notice of Budget Committee Hearing.* The Executive Director shall publish a notice in The Florida Bar *Journal* not later than the March issue, giving notice of a meeting of the Budget Committee to receive suggestions from members of The Florida Bar for the preparation of the budget for the succeeding fiscal year. Such meeting shall be held not earlier than January 1st and not later than April 30th preceding the fiscal year for which the budget is to be prepared, but not earlier than the 15th day of the month succeeding the month in which the notice is published.

3. *Tentative Budget of Budget Committee.* At the meeting announced by such published notice, the Budget Committee shall hear and receive suggestions from members of The Florida Bar for the preparation of the budget for The Florida Bar for the succeeding fiscal year. The manner of filing and hearing such suggestions may be provided by the by-laws. After consideration of the suggestions received, the Budget Committee shall prepare a tentative budget for the succeeding fiscal year, which shall be filed with the Executive Director.

4. *Proposed Budget of Board of Governors.* The Board of Governors, after considering the tentative budget prepared by the Budget Committee, shall adopt a proposed budget for the succeeding fiscal year in time to allow publication thereof not later than the May issue of The Florida Bar *Journal.*

5. *Notice of Board of Governors Hearing upon Proposed Budget.* The Executive Director shall publish a notice in The Florida Bar *Journal* not later than the May issue, giving notice of a meeting of the Board of Governors to be held no earlier than the 15th day of the month succeeding the month the notice is published. Such notice shall contain the proposed budget, and shall advise that the proposed budget shall become final unless written objections to any item or items therein shall be filed by members of The Florida Bar with the Executive Director on or before the tenth day of the

month following the month of publication.

6. *Hearing and Adoption of Budget of Board of Governors.* If written objections to any item or items of the proposed budget are filed by members of The Florida Bar within the time provided, a hearing thereon shall be held by the Board of Governors at the time and place provided in such notice. After such hearing the Board of Governors shall consider the objections filed, and upon consideration thereof the Board may amend the proposed budget within the scope of the objections. The budget, approved by the Board of Governors after such hearing, or the proposed budget if no objections thereto are filed, shall become the budget of The Florida Bar for the succeeding fiscal year.

7. *Filing of Budget with the Court.* The budget adopted by the Board of Governors shall be filed with the Supreme Court on or before June 30.

8. *Amendment of the Budget.* The Board of Governors, in their discretion from time to time, may amend the budget in order to provide funds for needed expenditures; provided, however, that the total of increases made in the items of the budget, including new items created by such amendments, shall not exceed five per cent of the total income of The Florida Bar for the current fiscal year as anticipated at the time of the amendment. If a proposed amendment shall cause the total of increases in items of the budget made by amendment to exceed such limitation, a hearing upon objections to any item or items therein shall be held by the Board of Governors in like manner as that provided for the proposed budget. The Executive Director shall publish a notice in The Florida Bar *Journal* giving notice of a Board of Governors meeting to be held no earlier than the 15th day of the month succeeding the month in which the notice is published. Such notice shall contain the proposed amendment and shall advise that the proposed amendment shall become final unless written objections to any item or items therein shall be filed by members of The Florida Bar with the Executive Director on or before the tenth day of the month following the month of publication. If the proposed amendment is adopted by the Board of Governors in whole or in part, the amendment of the budget shall be filed with the Supreme Court within the month following the month in which the amendment is adopted.

9. *Appropriations of the Budget.* Each item of the budget shall be deemed a fixed appropriation, subject only to amendment as provided. All uncommitted balances of appropriations shall revert at the end of each fiscal year to the funds from which appropriated. No uncommitted appropriations shall continue beyond the fiscal year for which the budget containing the appropriation is adopted.

10. *Disbursements.* The appropriations of the budget shall be disbursed by the Executive Director in his capacity as Treasurer of The Florida Bar in accordance with the by-laws. He shall make such disbursements as are required to pay the obligations and expenses of The Florida Bar made within the provisions of the budget.

11. *Accounting and Audit.* The Board of Governors shall cause books and accounts to be kept in accordance with good accounting practices. Such records shall be audited annually by a certified public accountant authorized to practice in the State of Florida, and a copy of the audit shall be filed forthwith with the Supreme Court. Within a reasonable time after completion of the audit a condensed summary thereof shall be published in The Florida Bar *Journal*, and a copy filed with the Supreme Court.

12. *Compensation and Expenses.* No member of the Board of Governors, and no member or officer of The Florida Bar, other than the Executive Director and the employees of The Florida Bar, and except as may be authorized pursuant to Article XI hereof, shall receive compensation, but any such person may, with the approval of the

Board of Governors, be reimbursed for reasonable expenses incurred in the performance of services for The Florida Bar.

Article X
RULES OF PROFESSIONAL CONDUCT

The Court adopts, as a code of ethics applicable to the members of The Florida Bar, the Canons of Ethics for Judges and Attorneys. Rules A and B, promulgated by this Court on January 27, 1941, and the Rules of Conduct adopted on the same date, as published on pages 3210 through 3221, Florida Statutes 1957, together with such amendments thereto as are now adopted or may be adopted by this Court.

Article XI
RULES OF DISCIPLINE

The exclusive jurisdiction of the Supreme Court over the discipline of persons admitted to the practice of law shall be administered in the following manner subject to the supervision and review of the Court.

RULE 11.01: PRINCIPLES AND DEFINITIONS

(1) *Notice and knowledge of rules.* Every member of The Florida Bar is within the jurisdiction of this Court and its agencies under this Rule and is charged with notice and held to know the provisions of this rule and the standards of ethical and professional conduct prescribed by this Court.

(2) *Process.* Every member of The Florida Bar is charged with notice of the provisions of Section 6 of Article II relating to change of mailing address or military status and that mailing by registered or certified mail of papers or notices prescribed in these rules to the last mailing address of an attorney as shown by the official records in the office of the Executive Director of The Florida Bar shall be sufficient notice and service unless this Court shall direct otherwise.

(3) *Definitions.* Wherever used in these rules the following words or terms shall have the meaning herein set forth unless the use thereof shall clearly indicate a different meaning:

(a) The accused or accused attorney: a member of The Florida Bar who has been accused of misconduct or whose conduct is under investigation, but as to which conduct there has been no finding of either probable cause or no probable cause.

(b) Bar Counsel: a member of The Florida Bar appointed to represent The Florida Bar in any proceeding under these rules.

(c) The Board, or the Board of Governors: The Board of Governors of The Florida Bar.

(d) Complainant or complaining witness: any person who has complained of the conduct of any member of The Florida Bar to any officer or agency of The Florida Bar.

(e) This Court, or the Court: The Supreme Court of the State of Florida.

(f) Court of this State: a state court authorized and established by the Constitution or laws of the State of Florida.

(g) Executive Committee: The Executive Committee of the Board of Governors of The Florida Bar.

(h) Executive Director: the Executive Director of The Florida Bar.

(i) Probable cause: a finding by an authorized agency that there is cause to believe that a member of The Florida Bar is guilty of misconduct justifying disciplinary action.

(j) Referee: a member of The Florida Bar appointed to conduct proceedings as provided under these rules.

(k) Respondent: a member of The Florida Bar against whom there has been a finding of probable cause.

RULE 11.02: BREACHES OF DISCIPLINE

The following principles, among others expressly adopted by this Court, shall govern the conduct of members of The Florida Bar in their capacity as attorneys and shall govern all proceedings for discipline of such members: A license to practice law confers no vested right to the holder thereof, but is a conditional privilege revokable for cause. The primary purpose of discipline of attorneys is the protection of the public, the legal profession, and the administration of justice, as well as the discipline of members of the Bar. It is the responsibility of this Court to purge the Bar of those unworthy to practice law in this State and it is the obligation of The Florida Bar and the individual members thereof to give unlimited cooperation and assistance to this Court in the discharge of this responsibility. The Florida Bar is expressly delegated the authority, power and duty to maintain high ethical standards and to take such proceedings as authorized in these rules to insure such standards in the Bar of Florida.

(1) *Oath.* Violation of the oath taken by an attorney to support the Constitutions of the United States and the State of Florida is ground for disciplinary action. Membership in, alliance with, or support of the Communist Party or any organization, group or party advocating or dedicated to the overthrow of the government by violence or by any means in violation of the Constitution of the United States or Constitution of this State shall be a violation of the oath.

(2) *Code of ethics.* Violation of the Rules of Professional Conduct as adopted by Article X of the Integration Rule is a cause for discipline.

(3) *Moral conduct.*

(a) *Standards.* The standards of professional conduct to be observed by members of the Bar are not limited to the observance of rules and avoidance of prohibitive acts, and the enumeration herein of certain categories of misconduct as constituting grounds for discipline shall not be deemed to be all-inclusive nor shall the failure to specify any particular act of misconduct be construed as tolerance thereof. The commission by a lawyer of any act contrary to honesty, justice or good morals, whether the act is committed in the course of his relations as an attorney or otherwise, whether committed within or outside the State of Florida, and whether or not the act is a felony or misdemeanor, constitutes a cause for discipline.

(b) *Crime.* If the alleged misconduct constitutes a felony or misdemeanor, The Florida Bar may initiate disciplinary action whether or not the accused attorney has been tried, acquitted or convicted in a court for the alleged criminal offense; however, the Board of Governors may, in its discretion, withhold prosecution of disciplinary proceedings pending the outcome of criminal proceedings against an accused attorney if the Board believes that prosecution thereof might tend to prejudice the accused attorney in his defense or the State in the prosecution of the criminal proceedings.

(4) *Trust funds and fees.* Money or other property entrusted to an attorney for a specific purpose is held in trust and must be applied only to that purpose. Money and other property of clients coming into the hands of an attorney are not subject to counterclaim or setoff for attorney fees, and a refusal to account for and deliver over such property and money upon demand shall be deemed a conversion. This is not to preclude the retention of money or other property upon which the lawyer has a valid lien for his services or to preclude the payment of agreed fees from the proceeds of transactions or collections. Controversies as to the amount of fees are not grounds for disciplinary proceedings unless the amount demanded is extortionate or the demand is fraudulent.

(5) *Solicitation.* The solicitation of professional employment by advertisement, runners, solicitors, investigators, or in any other manner shall constitute grounds for disciplinary action. Payment of compensation shall not be a necessary element of proof of solicitation.

(6) *Discipline by foreign jurisdiction.* A final adjudication by a court or other authorized agency of another state in a disciplinary proceeding that an attorney licensed to practice in that state is guilty of misconduct justifying disciplinary action shall be considered as conclusive proof of such misconduct in a disciplinary proceeding in this state.

RULE 11.03: DISCIPLINARY AGENCIES

The jurisdiction of the Supreme Court shall be administered in the manner hereinafter stated. The following entities are hereby designated as agencies of the Supreme Court for this purpose and with the following responsibilities, jurisdiction and powers:

(1) *The Board of Governors of The Florida Bar.* The Board of Governors of The Florida Bar is assigned the responsibility of maintaining high ethical standards among all its members. The Board of Governors of The Florida Bar shall supervise and conduct disciplinary proceedings in accordance with the provisions of these rules.

(a) *Executive Committee.* All acts and discretion required of the Board of Governors under these Rules of Discipline may be exercised by its Executive Committee between meetings of the Board of Governors except the entry of final judgment.

(b) *Executive Director.* All matters to be filed with or served upon the Board of Governors shall be addressed to the Board of Governors and filed with the Executive Director. The Executive Director shall be the custodian of the official records of The Florida Bar.

(2) *Grievance committees.* There shall be such grievance committees as are herein provided, each of which shall have the authority and jurisdiction required to perform the functions hereinafter assigned to them, and which shall be constituted and appointed as follows:

(a) *Circuit grievance committees.* There shall be not less than one grievance committee in each judicial circuit of this State, and as many more in each judicial circuit as shall be found desirable by the Board of Governors. Such committees shall be designated as Judicial Circuit Grievance Committees, and in circuits having more than one committee they shall be identified by alphabetical designation in the order of creation such as "First Judicial Circuit Grievance Committee 'A,' " "First Judicial Circuit Grievance Committee 'B,' " and so forth. Such committees shall be continuing bodies notwithstanding changes in membership and they shall have jurisdiction and the power to proceed in all matters properly before them.

(b) *Special grievance committees.* The Board of Governors may from time to time appoint special grievance committees for the purpose of such investigations as may be assigned in accordance with these rules. Such committees shall continue only until the completion of tasks assigned, and they shall have jurisdiction and power to proceed in all matters so assigned to them. All provisions concerning grievance committees shall be applicable to special grievance committees except those concerning terms of office and other restrictions thereon as may be imposed by the Board of Governors. Any vacancies occurring in such a committee shall be filled by the Board of Governors, and such changes in members shall not affect the jurisdiction and power of the committee to proceed in all matters properly before it.

(c) *Membership, appointment.* Each grievance committee shall be appointed by the Board of Governors and shall consist of not less than three members of The Florida Bar.

(d) *Terms.* The terms of the members shall begin on the first day of July and shall end on the next succeeding 30th day of June or until such time as their successors are appointed and qualified.

(e) *Officers.* There shall be a chairman designated by the Board of Governors and a vice-chairman and secretary designated by the chairman on each committee.

(f) *Oath.* Each member of a committee shall subscribe to an oath to fulfill the duties of his office. Such oaths shall be filed with the Executive Director and placed with the official records of The Florida Bar.

(g) *Removal.* Any member may be removed from his office by the Board of Governors.

(h) *Quorum, vote.* A majority of a committee but not less than three members shall constitute a quorum. All recommendations of probable cause shall be made by the concurrence of not less than three members.

(3) *Referees.* The Board of Governors shall annually or as often as necessary recommend members of The Florida Bar to this Court to act as referees in disciplinary proceedings. This Court will certify annually or as often as necessary a panel of those approved to act as referees.

(4) *Staff counsel.* The Board of Governors may employ staff counsel for The Florida Bar to perform such duties under the direction of the Executive Director as may be assigned.

(5) *Bar counsel.* The Board of Governors from time to time shall designate a panel of members of The Florida Bar to serve as bar counsel to represent The Florida Bar in such disciplinary proceedings as the Board of Governors may direct. Bar counsel shall not be a member of the Board of Governors, a grievance committee or a member of the panel of referees.

(6) *Jurisdiction and powers.* The Board of Governors, grievance committees and referees have such jurisdiction and powers as are necessary to conduct the proper and speedy disposition of any investigation or cause, including the power to compel the attendance of witnesses, to take or cause to be taken the deposition of witnesses and to order the production of books, records or other documentary evidence. Each member of such agencies has power to administer oaths and affirmations to witnesses in any matter within the jurisdiction of the agency.

(7) *Disqualification as trier and attorney for respondent.* No member or former member of the Board of Governors and no employee or former employee of The Florida Bar shall represent any party in proceedings provided for in these rules until at

least three (3) years from the date of expiration of the term for which he was appointed or elected or subsequent to the date of the termination of his employment; nor shall any member or former member of any grievance committee represent an accused attorney or act as referee in any such proceeding during the term for which he was appointed and for one year thereafter; nor in any case shall a member or former member of a grievance committee or a referee represent an accused attorney or act as bar counsel in any proceeding investigated or heard to any extent before him in such offices.

RULE 11.04: INVESTIGATION BY GRIEVANCE COMMITTEE

(1) *Purpose*

(a) *Investigation.* The purpose and function of a grievance committee is to conduct investigations of alleged misconduct of a member of The Florida Bar justifying disciplinary action and to determine whether or not to recommend a finding of probable cause by the Board of Governors.

(b) *Non-adversary.* The proceedings of such grievance committees may be informal and shall not assume the character of an adversary proceeding. The committee shall not be bound by the Rules of Evidence.

(c) *No delay for civil or criminal proceedings.* An investigation shall not be deferred or suspended without the approval of the Board of Governors even though the accused is made a party of civil litigation, or is a defendant or is acquitted in a criminal action, notwithstanding that either of such proceedings involves the subject matter of the investigation. The acquittal of an accused in a criminal proceeding shall not necessarily be a bar to disciplinary proceedings nor shall the findings, judgment or decree of any court in civil proceedings necessarily be binding in disciplinary proceedings.

(2) *The accused.* The accused may be required to testify and to produce evidence as any other witness, and when so required he may be accompanied by counsel. The accused has no right to be present or to be heard during an investigation, but before any finding of probable cause is recommended the accused shall be advised in general terms the nature of the conduct which is being investigated, and he shall be given an opportunity to make a statement, personally or by counsel, verbally or in writing, sworn or unsworn, explaining, refuting or admitting the alleged misconduct. The accused shall have no right to present other testimony or evidence, and he shall have no right of confrontation or cross-examination.

(3) *Testimony of witnesses; contempt.* The accused attorney or any other person who is subpoenaed to appear and give testimony or to produce books, papers or documents, and who refuses to appear or produce such books, papers or documents before the grievance committee or who, having been duly sworn to testify, refuses to answer any proper question, may be cited for contempt of this Court. Any contempt proceedings instituted or prosecuted during the progress of an investigation or trial covered by the confidential rule shall be conducted in a manner consistent with such rule and shall not be made public except under conditions prescribed in such rule.

(4) *Complainant or complaining witness.* The complainant or complaining witness is not a party to the disciplinary proceeding and shall have no right to be present during the grievance committee proceedings except when called to give evidence and when so called may be accompanied by counsel. Neither the complainant nor his counsel shall have the right of confrontation or cross-examination of the accused or any other witness. Neither unwillingness nor neglect of the complaining witness to cooperate, nor settlement, compromise, nor restitution will excuse the

completion of an investigation. The complaining witness shall have no right of appeal.

(5) *Record and report of grievance committee*

(a) *No recommendation of probable cause.* If a grievance committee upon termination of its investigation does not recommend a finding of probable cause, the committee shall dispose of its file in the manner directed by the Board of Governors. If the grievance committee has notified the accused of the investigation, then the committee shall notify the accused of the action of the committee. The failure of a grievance committee to recommend probable cause shall not preclude further proceedings.

(b) *Recommendation of probable cause.* If a grievance committee recommends a finding of probable cause, the committee shall prepare a record of its investigation and a report and file the same with the Executive Director, the report being filed in duplicate. The record and report shall be in such form and with such content as shall be prescribed by the Board of Governors. The Executive Director shall furnish a copy of the report to the accused, and a copy of the record shall be made available to the accused at his expense.

(6) *Status reports.* The status or disposition of all disciplinary matters considered by the grievance committees shall be reported quarterly to the Board of Governors on a report form prescribed by the Executive Director.

RULE 11.05: REVIEW OF GRIEVANCE COMMITTEE REPORT; FINDING OF PROBABLE CAUSE AND ASSIGNMENT FOR TRIAL

No formal complaint shall be filed by The Florida Bar in disciplinary proceedings against a member of the Bar unless the Board of Governors shall first find that probable cause exists to believe that the accused is guilty of misconduct justifying disciplinary action or unless the accused has been determined or adjudged to be guilty of the commission of a felony. The finding of probable cause shall be made as hereinafter provided.

(1) *Review of grievance committee report.* The Board of Governors shall review the record and report filed by the grievance committee recommending a finding of probable cause and may (1) find probable cause, (2) find no probable cause, or (3) return the record and report to the grievance committee for further proceedings. If the Board of Governors shall find probable cause or no probable cause, the Executive Director shall notify the accused attorney, the grievance committee and may notify the complaining witness.

(2) *Finding of no probable cause.* A finding of no probable cause by the Board of Governors shall be final and after such finding no further proceedings shall be had in the matter by The Florida Bar.

(3) *Finding of probable cause.* The Board of Governors of The Florida Bar, sua sponte or on the basis of the report of any regular or special grievance committee or on the recommendation and report of bar counsel, may by majority vote find probable cause and direct the filing of a formal complaint against an attorney as hereinafter provided. Provided, however, that if such finding is not based upon grievance committee investigation or report of bar counsel in pending proceedings against the accused, then before such finding is made the accused shall be advised in general terms the nature of the conduct which is being considered, and he shall be given an opportunity to make a statement, personally or by counsel, verbally or in writing, sworn or unsworn, explaining, refuting or admitting the alleged misconduct. The accused shall have no right to present other testimony or evidence, and he shall have

no right of confrontation or cross-examination.

(4) *Assignment for trial.* The Board of Governors upon making a finding of probable cause shall forthwith appoint a referee to try the cause, the appointment to be from the list approved by the Supreme Court; provided, however, that the Board may defer or withhold prosecution when in the opinion of the Board further proceedings would not be in the interest of the public or The Florida Bar.

RULE 11.06: TRIAL BY REFEREE AND ENTRY OF JUDGMENT

When a finding has been made by the Board of Governors that there is cause to believe that a member of The Florida Bar is guilty of misconduct justifying disciplinary action, and such finding of probable cause has been assigned for trial before a referee, the proceeding thereafter shall be an adversary proceeding in which the accused is the respondent and which shall be conducted as follows:

(1) *Venue.* The trial shall be held in the county in which an alleged offense occurred, or in the county where the respondent resides or practices law or last practiced law in Florida, whichever shall be designated by the Board of Governors; provided, however, that if the respondent is not a resident of Florida and the alleged offense is not committed in Florida, the trial shall be held in a county designated by the Board of Governors; and provided further that the trial may be held in any county by agreement of the parties.

(2) *Style of proceedings.* All proceedings instituted by The Florida Bar shall be styled "The Florida Bar, complainant v. (name of respondent), respondent."

(3) *Nature of proceedings.*

(a) *Administrative in character.* A disciplinary proceeding is neither civil nor criminal but is a quasijudicial administrative proceeding.

(b) *Discovery.* Discovery shall be available to the parties in accordance with the Florida Rules of Civil Procedure.

(4) *Bar counsel*

(a) *Appointment.* Upon assignment of a cause for trial the Board of Governors shall appoint bar counsel to prosecute the cause in the name of The Florida Bar.

(b) *Duties.* Bar counsel shall make such investigation as in his opinion is necessary and shall prepare and prosecute with utmost diligence any case assigned to him.

(5) *Pleadings.* Pleadings may be informal and shall comply with the following requirements:

(a) *Complaint; consolidation and severance*

(i) *Filing.* The complaint against the respondent shall be filed by bar counsel within thirty (30) days after his appointment, or as soon thereafter as practical.

(ii) *Content.* The complaint shall set forth the particular act or acts of conduct for which the attorney is sought to be disciplined.

(iii) *Joinder of charges and respondents; severance.* A complaint may embrace any number of charges against one or more respondents, and charges may be against any one or any number of respondents, all as the Board of Governors may direct; but a severance may be granted by the referee when the ends of justice require it.

(b) *Answer and motion.* Respondent may answer the complaint, and as a part thereof or by separate motion may challenge only the sufficiency of the

complaint and the jurisdiction of the forum. All other defenses shall be incorporated in respondent's answer. All pleadings of the respondent must be filed within twenty (20) days of service of a copy of the complaint upon him.

(c) *Reply.* If respondent's answer shall contain any new matter or affirmative defense, a reply thereto may be filed within ten (10) days of the date of service of a copy upon bar counsel, but failure to file such a reply shall not prejudice The Florida Bar. All affirmative allegations in the respondent's answer shall be considered as denied by The Florida Bar.

(d) *Disposition of motions.* Hearings upon motions may be deferred until the final hearing; and whenever heard, rulings thereon may be reserved until termination of the final hearing.

(e) *Filing of pleadings*

(i) *Complaint and answer.* The complaint and answer of other appropriate pleading shall be filed in quadruplicate with the Executive Director. If there is more than one attorney charged in the complaint, one additional copy of all pleadings shall be filed for each respondent in excess of one.

(A) *Service.* Service of the complaint and answer or other appropriate pleading filed by the respondent replying to the complaint shall be served upon the proper person by the Executive Director as elsewhere provided in these rules.

(B) *To referee.* The Executive Director shall transmit such original pleadings to the referee before trial or at such other time as may be directed by the referee.

(ii) *Subsequent pleadings.* With reference to all subsequent pleadings and motions, the original shall be filed with the referee and a copy thereof sent to the Executive Director and to each respondent in the proceeding.

(f) *Amendment.* Pleadings may be amended by order of the referee, and a reasonable time shall be given within which to respond thereto.

(6) *Notice of final hearing.* The cause may be set down for trial by either party or the referee upon not less than ten (10) days notice. The trial shall be held as soon as possible following the expiration of ten (10) days from the filing of respondent's answer, or if no answer is filed, then from the date when such answer is due.

(7) *The respondent.* The respondent may be called as a witness by The Florida Bar to make specific and complete disclosure of all matters material to the issues. When the respondent attorney is subpoenaed to appear and give testimony or to produce books, papers or documents, and he refuses to appear or to produce such books, papers or documents, or, having been duly sworn to testify, he refuses to answer any proper question, he may be cited for contempt of this court.

(8) *Complaining witness.* The complaining witness shall have no rights other than those of any other witness; he has no right to be present during a hearing or trial but he may be called upon to testify and produce evidence as any other witness. Neither unwillingness nor neglect of the complaining witness to cooperate, nor settlement, compromise nor restitution will excuse failure to complete any trial.

(9) *Findings and judgment*

(a) *Record and report of referee.* Within thirty (30) days after the conclusion of a trial before a referee, or as soon thereafter as practical, he shall make a report and enter it as part of the record. The referee's report shall include (1) a finding of fact as to each item of misconduct of which the respondent is charged, (2) recommendations as to whether or not the respondent should be found guilty of misconduct justifying disciplinary measures, (3) recommendations as to the discipli-

nary measures to be applied, (4) a statement of the costs of the proceedings and recommendations as to the manner in which costs should be taxed. The costs shall include court reporters' fees, witness fees and traveling expenses, and reasonable traveling and out of pocket expenses of the referee and bar counsel, if any. Within five (5) days after the entry of findings of the referee, the record of the proceeding shall be filed with the Executive Director. Within five (5) days after such filing, a notice thereof together with a copy of the report of the referee shall be served upon bar counsel and upon the respondent by the Executive Director.

(b) *Statement of parties.* Bar counsel and respondent may each file a statement in support of or in opposition to the findings and recommendations of the referee. Such statement, if filed, shall be filed with the Executive Director within ten (10) days after service of a copy of the report of the referee or within five (5) days after receipt of such statement from an opposing party, and shall become a part of the record.

(c) *Review and entry of judgment*

(i) *Review.* The entire record, which shall consist of the complaint and all other pleadings, transcript of testimony, exhibits, report of the referee and statement of the respondent in opposition thereto, if any, shall be referred to and read by a reviewing committee consisting of five members of the Board of Governors designated by the President. Such committee shall prepare a written report indicating the concurring and dissenting members of the committee as to the guilt of the respondent and as to its recommendations for disciplinary measures, if any. The report of the reviewing committee shall be considered by the Board; provided, however, that in the event less than four members of the committee concur as to the guilt of the respondent, or in the event the Board shall fail to approve the report of the committee as to the guilt of the respondent, then a quorum of the Board shall review the entire record in such manner as to insure protection of the rights of the accused.

(ii) *Judgment.* The Board of Governors shall enter an appropriate judgment in accordance with its findings which shall be signed by the President and a copy of which shall be furnished to the respondent. If the respondent is found not guilty, the judgment shall dismiss the complaint. If the respondent is found guilty, the judgment shall set forth the disciplinary measures to be enforced. The costs shall be taxed in the discretion of the Board of Governors.

(iii) *Filing.* If the respondent is found guilty and the judgment includes public reprimand, suspension from practice or disbarment, the Executive Director shall file the entire record with the Clerk of the Supreme Court.

(10) *The record*

(a) *Reporting of testimony.* All hearings at which testimony is presented shall be reported and the transcript of the testimony shall be filed in the cause.

(b) *Contents.* The record shall include all items properly filed in the cause including pleadings, transcript of testimony, exhibits in evidence, findings and report of the referee, statements of the parties and the judgment.

(11) *Plea of guilty by accused or respondent.* At any time during the progress of disciplinary proceedings an accused attorney or respondent may tender a plea of guilty.

(a) *Before filing of complaint.* If the plea is tendered before filing of a complaint by bar counsel such plea shall be tendered in writing to the Board of Governors. The Board may direct such further investigation as is warranted and formulate charges and serve such charges upon the accused so that he may enter his plea of guilty thereto in writing by filing the same with the Executive Director within

ten (10) days thereafter. The Board of Governors shall enter an appropriate disciplinary judgment.

(b) *After filing of complaint.* If the complaint has been filed against the respondent by bar counsel he may enter a plea of guilty thereto by filing the same in writing with the referee to whom the cause has been assigned for trial and such referee shall take such testimony in relation thereto as he may be advised. The referee will file his report and the Board of Governors, upon review of the report and record received from the referee, will enter appropriate disciplinary judgment.

(c) *Unconditional.* A plea of guilty shall be unconditional in terms, but shall not preclude appellate review as to disciplinary measures imposed.

(d) *Procedure.* Except as herein provided all procedure in relation to disposition of the cause on plea of guilty shall be as elsewhere provided in these rules.

(12) *Appellate review.* The respondent may appeal from a judgment of the Board of Governors. Such appeal shall be made in the manner provided by the rule on appellate review.

RULE 11.07: DISCIPLINARY MEASURES

The judgments entered finding members of The Florida Bar guilty of misconduct shall include one or more of the following disciplinary measures:

(1) *Private reprimand.* A private reprimand shall be administered so as to not violate the rule concerning the confidential nature of disciplinary proceedings, and otherwise in the manner prescribed in the judgment. Due notice shall be given to the respondent of any hearing to administer the reprimand. The respondent shall appear personally, if required, and a memorandum of the hearing shall be made a part of the record of the proceeding.

(2) *Probation.* The respondent may be placed upon probation for a stated period of time of not less than six months nor more than three years. The judgment shall state the conditions of the probation which may include the following: Supervision of all or part of the respondent's work by a member of The Florida Bar; the making of reports to a designated agency; the satisfactory completion of a course of study or a paper on legal ethics approved by the Supreme Court. Failure to observe the conditions of the probation, or a finding of probable cause as to conduct of the respondent committed during the period of probation, shall terminate the probation. In such event, even though such finding of probable cause shall be made after the expiration of the period of probation, the judgment shall be reconsidered and an appropriate judgment shall be entered.

(3) *Public Reprimand.* A public reprimand shall be administered in the manner prescribed in the judgment. Due notice shall be given to the respondent of any hearing set down to administer the reprimand. The respondent shall appear personally if required, and a memorandum of the hearing shall be made a part of the record of the proceeding.

(4) *Suspension.* The respondent may be suspended from the practice of law for an appropriate time or for a definite period of time and an indefinite period thereafter to be determined by the conditions imposed by the judgment. During such suspension the respondent shall continue to be a member of The Florida Bar but without the privilege of practicing; and upon the expiration of the suspension period and the satisfaction of all conditions accompanying the suspension, the respondent shall become eligible to all of the privileges of membership in The Florida Bar.

(5) *Disbarment.* A judgment of disbarment without further qualification shall be construed to be disbarment for an indefinite period of time; but the judgment may

be stated to be disbarment for an indefinite period of time, or for a definite period of time and an indefinite period thereafter to be determined by the conditions imposed in the judgment. No period of disbarment shall be for less than six months. During disbarment the respondent shall not be a member of The Florida Bar. During any indefinite period of disbarment he may apply for reinstatement in the manner provided by the rule on reinstatement.

RULE 11.08: DISCIPLINE UPON CONVICTION

(1) *Determination or judgment of guilt.* Determination or judgment of guilt of a member of The Florida Bar by a court of competent jurisdiction upon trial or plea of any crime or offense that is a felony under the laws of this State, or under the laws under which any other court making such determination or entering such judgment exercises its jurisdiction, shall be conclusive proof of the guilt of the offense charged for the purposes of these rules. Upon such determination or entry of such judgment of guilt by any court of this state, the judge or the clerk thereof shall transmit a certified copy of such determination or judgment to the Clerk of this Court and to the Executive Director of The Florida Bar.

(2) *Suspension by judgment (Florida).* If such judgment of guilt is entered by a court of the State of Florida, the convicted attorney shall stand suspended as a member of The Florida Bar on the 11th day following the entry of the judgment unless he shall before that day file a petition with the Supreme Court to modify or terminate such suspension as elsewhere provided. If such petition is filed on or before the 10th day following the entry of the judgment, the suspension will be thereby deferred until entry of an order upon the petition.

(a) *Petition to modify or terminate suspension.* At any time after the entry of a judgment of guilt, the convicted attorney may file a petition with the Supreme Court to modify or terminate such suspension and shall serve a copy thereof upon the Executive Director. An opportunity to respond to the petition and appear at any hearing on the petition shall be afforded to The Florida Bar. If such petition is filed after the tenth day following the entry of judgment of guilt, the suspension shall remain in effect pending disposition of the petition. Modification or termination of suspension shall be granted only upon a showing of good cause.

(b) *Continuation of suspension until final disposition.* If an appeal is taken by the convicted attorney from the judgment of the trial court in the criminal proceeding, and on review the cause is remanded for further proceedings, the suspension shall remain in effect until the final disposition of the criminal cause unless modified or terminated by the Supreme Court as elsewhere provided.

(c) *Termination of suspension.* Such suspension shall continue until final disposition of the criminal cause unless sooner terminated by order of the Supreme Court as elsewhere provided. A final disposition of the criminal cause resulting in acquittal will terminate the suspension. A final termination of the criminal cause resulting in a determination or judgment of guilt shall continue the suspension until expiration of all periods for appeal and rehearing, and until after termination of disciplinary proceedings by The Florida Bar as elsewhere provided.

(3) *Suspension by Supreme Court.* If any such determination or judgment of guilt is entered by any court other than a court of the State of Florida, The Florida Bar may petition this Court for an order suspending the convicted attorney from the practice of law. Service of a copy of such petition shall be effected by the Clerk of this Court upon the convicted attorney who may within ten days, or such further time as this Court may allow, file a response thereto and serve a copy thereof upon the

Executive Director. This Court shall direct such further proceedings as may be appropriate.

(4) *Disciplinary judgment after conviction.* If a determination or judgment of guilt of a felony is entered against a member of The Florida Bar and becomes final without appeal or by affirmance on appeal, such judgment shall be conclusive proof of the guilt of the offense charged. The Executive Director shall serve upon the attorney named in such determination or judgment a notice to show cause, if any there be, why appropriate disciplinary judgment should not be entered by the Board of Governors. The respondent attorney may, within 15 days, file his return with the Executive Director. The Board of Governors shall consider such return and take appropriate action and thereafter enter such disciplinary judgment as may be warranted.

(5) *Appellate review.* The respondent attorney may appeal from a judgment of the Board of Governors in the manner provided by the rule on appellate review.

RULE 11.09: RESIGNATION PENDING DISCIPLINARY PROCEEDINGS

An attorney may resign from The Florida Bar during the progress of disciplinary proceedings against him in the following manner.

(1) *Definition.* If a disciplinary agency is investigating the conduct of an attorney, or if such an agency has recommended probable cause, then disciplinary proceedings shall be deemed to be pending and the resignation shall be made pursuant to this rule.

(2) *Petition for leave to resign.* The petition for leave to resign shall be filed with the Executive Director of The Florida Bar and shall contain a statement of all past and pending disciplinary actions and criminal proceedings against the petitioner. Such statements shall describe the charges made or under investigation for professional misconduct, results of past proceedings and the status of pending investigations and proceedings. Any petition deemed by the Board of Governors to be incomplete or insufficient may in the discretion of the Board be returned for such amendment as may be required.

(3) *Judgment.* The Board of Governors shall consider the petition for leave to resign and the charges against the accused. If it has been shown by the petitioner in a proper and competent manner that the public interest will not be adversely affected by the granting of the petition, and that such will not adversely affect the purity of the courts nor hinder the administration of justice nor the confidence of the public in the legal profession, the Board of Governors shall enter an appropriate judgment granting leave to resign; otherwise, the petition shall be denied. If the judgment grants to the petitioner leave to resign, the judgment may require that the resignation be subject to appropriate conditions. A copy of the judgment shall be furnished to the petitioner; and if the judgment grants leave to resign a certified copy thereof, together with the supporting record, shall be filed with the clerk of the Supreme Court. A judgment granting leave to resign shall become final and effective when approved by order of the Supreme Court.

(4) *Appellate review.* The petitioner may appeal from the judgment in the manner provided by the rule on appellate review.

(5) *Delay of disciplinary proceedings.* The filing of a petition for leave to resign pending disciplinary proceedings shall not stay the progress of the disciplinary proceedings without the approval of the Board of Governors.

RULE 11.10: REINSTATEMENT

An attorney who has been disbarred other than by permanent disbarment, or whose resignation pending disciplinary proceedings has been accepted under conditions which allow reinstatement, may be reinstated to membership in The Florida Bar pursuant to this rule. The proceedings under this rule are not applicable to suspension for non-payment of dues.

(1) *Petitions: form, contents, fingerprints*

(a) *Filing.* The original petition for reinstatement and three copies thereof shall be in writing, verified by the petitioner, addressed to the Board of Governors and filed with the Executive Director at the office of The Florida Bar in Tallahassee. With the filing of his petition the petitioner shall furnish two sets of his fingerprints on record cards furnished by The Florida Bar for this purpose. One copy of the petition shall be promptly filed by the Executive Director with the Clerk of this Court.

(b) *Form and exhibits.* The petition shall be in such form and shall be accompanied by such exhibits as the Board of Governors shall prescribe. The information required concerning the petitioner may include in the discretion of the Board of Governors, any or all of the following matters in addition to such other matters as may be reasonably required to determine the fitness of the petitioner to resume the practice of law: criminal and civil judgments; disciplinary judgments; copies of income tax returns together with consents to secure original returns; occupation during disbarment and information in connection therewith; financial statements; statement of restitution of funds which were the subject matter of disciplinary proceedings.

(2) *Deposit for cost.* The petition shall be accompanied by a deposit in such amount as the Board of Governors shall prescribe to insure payment of reasonable costs of the proceeding. Such costs in the discretion of the Board of Governors may include court reporters' fees, witness fees and traveling expense, and reasonable traveling expense and out of pocket costs of the referee or investigative committee and attorneys for The Florida Bar.

(3) *Reference of petition for hearing.* The Board of Governors shall refer the petition for reinstatement for investigation. Such investigation may be by means of formal hearing and findings or otherwise. Such reference shall be in the discretion of the Board of Governors to a referee, a grievance committee of the county where the petitioner resides, or formerly resided, or to a reinstatement committee to be appointed by the Board of Governors. Provided, however, that no such reference shall be made until evidence is submitted showing that all costs assessed against the petitioner in all disciplinary proceedings have been paid.

(4) *Attorney for the Bar.* When a petition for reinstatement is filed, the Board of Governors may appoint, or may request any local Bar Association to appoint, from the active members of The Florida Bar, one or more attorneys to represent The Florida Bar in the proceeding. The duties of such attorneys shall be to appear at the hearings and to prepare and present to said committee or referee evidence which, in the opinion of the committee or referee or such attorneys, should be considered in passing upon the petition.

(5) *Procedure.* The referee or committee to which the petition for reinstatement is referred shall conduct the investigation as a trial in the same manner, to the extent practical, as proceedings are conducted under the rule concerning trials. The matter to be investigated and decided shall be the fitness of the petitioner to resume the practice of law.

(6) *Hearing, notice, evidence*

(a) *Notice.* The committee or referee to whom the petition for reinstatement is referred shall fix a time and place for hearing, and notice thereof shall be given at least ten days prior to the hearing to the petitioner, to attorneys representing The Florida Bar, and to such other persons as may be designated by any member of the committee or the referee to which the petition is referred.

(b) *Appearance.* Any of said persons to whom notice is given, any other interested person, or any local bar association, may appear before said committee in support of or in opposition to the petition at any time or times fixed for hearings thereon.

(c) *Failure of petitioner to be examined.* For the failure of the petitioner to submit to examination as a witness pursuant to notice given, the Board of Governors shall dismiss the petition for reinstatement unless good cause is shown for such failure.

(7) *Prompt hearing; report.* The committee or referee to which a petition for reinstatement has been referred by the Board of Governors shall proceed to a prompt hearing, at the conclusion of which it shall make and transmit to the Board of Governors a report which shall include the findings of fact and a recommendation as to whether or not the petitioner is qualified to resume the practice of law. Such report shall be in the form prescribed by the Board of Governors.

(8) *Notice of reinstatement committee's or referee's report.* When the report of the committee or referee is received at the office of the Executive Director in Tallahassee, a copy thereof shall be sent by the Executive Director to the petitioner and to the members of The Florida Bar representing the Bar and to each local bar association appearing in the proceeding. A copy of the letter of transmittal, bearing the date of mailing and the name of the person mailing the same, shall be retained in the office of The Florida Bar and shall be prima-facie evidence of the mailing thereof upon said date.

(9) *Statement in opposition or support.* At any time within ten days after mailing of the notice of report the petitioner or the member of The Florida Bar representing the Bar or any local bar association may file in the office of The Florida Bar in Tallahassee an original and three copies of a typewritten statement in support of or in opposition to the report.

(10) *Judgment by Board of Governors.* After filing of said report, the Board of Governors shall review the petition, the findings and recommendations of the committee or referee and the record before such committee or referee and shall enter an appropriate judgment. If the petitioner is found unfit to resume the practice of law, the petition shall be dismissed. If the petitioner is found fit to resume the practice of law, the judgment shall reinstate him in The Florida Bar; provided, however, that the judgment may make such reinstatement conditional upon the payment of all or parts of the costs of the proceeding, and upon the making of partial or complete restitution to parties harmed by the petitioner's misconduct which led to the termination of his membership in The Florida Bar; and further provided, however, that if the petitioner has been removed from membership in The Florida Bar for more than ten (10) years, the reinstatement may be conditioned upon the furnishing of such proof of competency as may be required by the judgment in the discretion of the Board of Governors, which proof may include certification by the Florida Board of Bar Examiners of the successful completion of all examinations for admission to The Florida Bar subsequent to the entry of the judgment. A copy of the judgment shall be

forthwith served upon the petitioner.

(11) *Appellate review.* The petitioner may appeal from the judgment in the manner provided by the rule on appellate review.

(12) *Successive petitions.* No petition for reinstatement shall be filed within two years following an adverse judgment upon a petition for reinstatement filed by or on behalf of the same person.

RULE 11.11: APPELLATE REVIEW

All judgments entered in proceedings under these Rules of Discipline shall be subject to appeal by petition to the Supreme Court in the following manner:

(1) *Appellant.* Any party to a proceeding other than The Florida Bar may appeal from an order or judgment entered under these rules; provided, however, the respondent and The Florida Bar may appeal from an order entered in contempt proceedings.

(2) *Appointment of bar counsel.* Within 30 days after a copy of a petition for review is filed with the Executive Director, the Board of Governors shall appoint bar counsel to represent The Florida Bar in the appeal.

(3) *Procedure.* Appeals shall be only in accordance with the following procedure.

(a) *Petition for review.* The appeal shall be commenced by filing a petition for review with the Supreme Court and two copies thereof with the Executive Director within 30 days after entry of judgment or order to be reviewed. If the appeal is from a circuit court, then within such 30 days another copy of the petition shall be filed with the clerk of such court. If the State of Florida is the appellee, then within such 30 days another copy of the petition shall be served upon the state attorney. The filing of the petition and copies is jurisdictional, and failure to file the petition and such copies within such 30-day period shall preclude an appeal.

(b) *Record on appeal.* If the appeal is from a judgment of the Board of Governors, the Executive Director shall forward the entire record to the Supreme Court within ten days after the filing with the Executive Director of a copy of the petition for review. If the appeal is from a circuit court, the clerk of the court shall forward the entire record to the Supreme Court within ten days after the filing with such clerk of a copy of the petition for review, or within ten days after the filing of the transcript of testimony, whichever shall last occur.

(c) *Briefs.* The petitioner shall file a brief within 30 days after the filing of the record with the Supreme Court; and if not filed the appeal shall be dismissed. A reply brief may be filed within 20 days after service of a copy of petitioner's brief.

(d) *Oral argument.* Oral argument shall be allowed in all appeals and upon expiration of the time for filing the reply brief the Clerk shall assign the cause for oral argument.

(e) *Burden upon appellant.* Upon review the burden shall be upon the appellant to show wherein the judgment from which the appeal is taken is erroneous, unlawful or unjustified.

(f) *Judgment of Supreme Court.* After review the Supreme Court shall enter an appropriate order or judgment. If no appeal is taken from a judgment or order entered under these rules, and if a certified copy thereof has been filed with the Court, the Court shall enter a judgment thereon.

(4) *Precedence of proceedings.* Appeals in disciplinary proceedings shall take precedence over all other civil causes in the Supreme Court.

(5) *Extraordinary writs.* All applications for extraordinary writs which are

concerned with disciplinary proceedings under these rules of discipline shall be made to the Supreme Court.

(6) *Florida Appellate Rules.* To the extent necessary to implement this rule and if not inconsistent herewith, the Florida Appellate Rules shall be applicable to appeals in disciplinary proceedings.

RULE 11.12: CONFIDENTIAL NATURE OF PROCEEDINGS

All matters including files, preliminary investigation reports, inter-office memoranda, records of investigations and the records in trials and other proceedings under these Rules, excepting only those matters in connection with proceedings initiated in circuit courts, are all property of The Florida Bar. All of such matters having to do with (1) investigation and other proceedings to determine probable cause, (2) trials upon a finding of probable cause, and (3) resignations pending disciplinary proceedings, shall be confidential to all parties participating therein or having knowledge thereof except as otherwise provided in these rules. All of such persons shall be admonished by the agency before whom they appear to observe the confidential nature of such proceedings. Provided, however, that the confidential nature of such proceedings is subject to the following exceptions:

(1) *Public record.* Those parts of proceedings prior to trial which are required to be served upon an accused, and the record of the proceeding as elsewhere defined, shall become public information in the following instances:

(a) *Request of accused or respondents.* If the accused or respondent shall file in the proceeding a request in writing that the proceedings be made public information.

(b) *Circuit court.* If the proceeding is in a circuit court; but proceedings in contempt of confidential proceeding shall preserve the confidentiality of the disciplinary proceeding as elsewhere provided.

(c) *Judgment of suspension or disbarment.* Upon entry of a judgment of suspension from practice or disbarment.

(d) *Appellate review.* Upon the filing of an appeal in the manner provided by the rule on appellate review.

(2) *Resignation pending disciplinary proceedings.* If an accused or respondent shall resign pending disciplinary proceedings which are confidential, such proceedings shall remain confidential except as follows: If the resigned member of The Florida Bar shall apply for readmission to The Florida Bar or for admission to the bar of any other jurisdiction, the Florida Board of Bar Examiners and the comparable body having jurisdiction of an application for admission in the other jurisdiction shall be given access to the files of The Florida Bar for the purpose of evaluating the applicant's competency to practice law.

(3) *Evidence of crime.* The confidential nature of disciplinary proceedings and the oath given to witnesses therein shall not proscribe the filing of informations and the giving of testimony before grand juries by individuals having knowledge of facts indicating the commission of crime if such knowledge was obtained independently of disciplinary proceedings.

(4) *Information concerning status of proceeding.* No information concerning the pendency or status of an investigation or trial or other confidential matter shall be given unless and until a judgment of the Board of Governors is filed with the Clerk of this Court or unless authorized by the Board of Governors; provided, however, that the chairman of a grievance committee may advise a circuit judge in confidence of the status of proceedings as to a particular accused or respondent.

RULE 11.13: ADDITIONAL RULES OF PROCEDURE

(1) *Time is directory.* Except as otherwise provided in these Rules of Discipline, the time intervals required are directory only and are not jurisdictional. Failure to observe such directory intervals may result in contempt of the agency having jurisdiction or of the Supreme Court, but will not prejudice the offending party except where so provided.

(2) *Notice in lieu of process.* Every member of The Florida Bar is within the jurisdiction of the Supreme Court and its agencies under these rules, and service of process is not required to obtain jurisdiction over respondents in disciplinary proceedings; but due process requires the giving of reasonable notice and such shall be effective by the service of the complaint upon the respondent by mailing a copy thereof by registered or certified mail return receipt requested to the last known address of the respondent according to the records of The Florida Bar or such later address as may be known to the person effecting the service.

(3) *Subpoenas.* Subpoenas for the attendance of witnesses and the production of documentary evidence other than before a circuit court shall be issued as follows:

(a) *Referees.* Subpoenas for the attendance of witnesses and production of documentary evidence before a referee shall be issued by the referee and shall be served in the manner provided by law for the service of process.

(b) *Grievance Committees.* Subpoenas for the attendance of witnesses and the production of documentary evidence before a grievance committee may be issued by any member of a grievance committee in pursuance of an investigation authorized by the committee. Such subpoenas may be served by any member of such committee or in the manner provided by law for the service of process.

(c) *Reinstatement committees.* Subpoenas for the attendance of witnesses and the production of documentary evidence before a reinstatement committee shall be issued by the chairman, vice-chairman or secretary of such committee, and shall be served in the manner provided by law for the service of process.

(d) *Board of Governors.* Subpoenas for the attendance of witnesses and the production of documentary evidence before the Board of Governors shall be issued by the Executive Director under the seal of The Florida Bar, and shall be served in the manner provided by law for the service of process.

(e) *Confidential proceedings.* If the proceeding is confidential a subpoena shall not name the accused or respondent but shall style the proceeding as "Confidential proceeding by The Florida Bar under the Rules of Discipline."

(f) *Contempt.* Any person who without adequate excuse fails to obey such a subpoena served upon him may be cited for contempt of this court in the manner provided by this rule.

(4) *Oath of witnesses.* Every witness in every proceeding under these rules shall be sworn to tell the truth and not to disclose the existence of the proceeding nor the identity of the accused or respondent until the proceeding is no longer confidential under these rules. Violation of the oath shall be an act of contempt of this Court.

(5) *Contempt.* If an agency other than a circuit court shall find that a person is in contempt under these rules, such person shall be cited for contempt in the following manner:

(a) *Petition for rule to show cause.* The agency shall direct bar counsel, or chairman of the agency if there is no bar counsel serving in the matter in which the contempt occurs, to present to the circuit court having jurisdiction a petition for the issuance of a rule to show cause why the person so accused should not be held in

contempt of this Court.

(b) *Confidentiality.* If the proceeding in which the contempt occurs is a confidential proceeding, the confidentiality shall be preserved in the contempt proceeding in the following manner: Pleadings shall be styled "Proceeding by The Florida Bar under the Rules of Discipline, The Florida Bar v. (name of accused in contempt proceeding)." No pleadings or matters shall be filed with the clerk of the circuit court; instead all such matters shall be presented to the circuit judge hearing the same and shall be returned to the agency upon completion of the contempt proceedings and then filed with the Executive Director. Docket entries and sentences or judgments in contempt proceedings, if entered in the office of the clerk of the circuit court, shall be styled as provided for pleadings and shall make no references to the accused or the respondent in the disciplinary proceeding in which the contempt occurred. If the name of the accused or respondent shall become of public record, the court having jurisdiction in the contempt proceeding shall take appropriate steps to preserve the confidentiality of the disciplinary proceedings, and shall consider whether or not the person responsible for the making of the name of the accused or respondent of public record is also guilty of contempt under these Rules of Discipline.

(c) *Appellate review.* A judgment in such contempt proceedings may be appealed by either party in the manner provided in the rule on appellate review, except that a copy of the petition for appeal shall not be filed with the clerk of the circuit court, and the record shall be forwarded by the judge or the agency possessing the same.

RULE 11.14: DISCIPLINARY PROCEEDINGS IN CIRCUIT COURTS

(1) *Disciplinary matters in district courts of appeal and circuit court.* Whenever it shall be made known to any of the judges of the district courts of appeal or any judge of a circuit court in this state that a member of The Florida Bar practicing in any of the courts of his district or judicial circuit has been guilty of any unprofessional act as defined by this Integration Rule or the code of ethics adopted by this Court, such judge may direct the state attorney for the circuit in which such attorney shall have his office to make in writing a motion in the name of the State of Florida to discipline such attorney setting forth in the motion the particular act or acts of conduct for which the attorney is sought to be disciplined.

(2) *Copy served upon accused.* Upon the filing of such motion a copy thereof shall be served upon the accused attorney and he shall within ten (10) days after the service thereof, file his answer thereto. A copy of such motion shall be filed with the Executive Director of The Florida Bar at the time of service upon the accused attorney.

(3) *Trial before a circuit judge.* Upon the filing of the answer the presiding judge of the judicial circuit in which the accused attorney's office is located shall designate one of the judges thereof to try and determine said cause. Such judge shall conduct a hearing thereon and shall hear the evidence to be offered by the State of Florida and the accused. A representative or representatives of The Florida Bar, appointed by the Board of Governors of The Florida Bar, shall have the right to be present and to observe the proceedings. Upon the conclusion of said hearing, said judge shall enter such judgment of dismissal, reprimand, probation, suspension or disbarment as shall be appropriate to the circumstances.

The parties shall be entitled to compulsory process to force the attendance of any witnesses.

(4) *Judgment filed in Supreme Court.* If the judgment be one of public reprimand, suspension or disbarment, three certified copies of the same shall be forthwith filed by the clerk of the trial court with the Clerk of the Supreme Court of Florida. The Clerk of the Supreme Court shall retain one copy for his records, deliver to the Executive Director of The Florida Bar one copy of said judgment for his official records, and shall forthwith serve the third copy upon the accused attorney.

(5) *Petition for appellate review.* The respondent may appeal from a judgment entered by a circuit court. Such appeal shall be made in the manner provided by the rule on appellate review.

(6) *Duty to expedite proceedings.* It shall be the duty of the state attorney who is directed to file said motion to file the same promptly and to dispose of said controversy expeditiously.

(7) *Concurrent jurisdiction of The Florida Bar.* The jurisdiction of the district courts of appeal and circuit courts created by this rule and the procedure herein outlined shall be concurrent with that of The Florida Bar under the preceding portions of these Rules of Discipline. The forum first asserting jurisdiction in a disciplinary matter shall retain the same to the exclusion of the other until the final determination of the cause.

(8) *Reinstatement.* Reinstatement of attorneys disbarred by proceedings in circuit courts shall be governed by the rule on reinstatement.

RULE 11.15: STATUTES SUPERSEDED

These Rules of Discipline shall supersede Sections 454.24, 454.25, 454.26, 454.27, 454.28, 454.29 and such parts of Sections 454.18, 454.30, 454.31 and 454.32, Florida Statutes 1959, as are in conflict herewith.

2. The Board of Governors may, upon good cause shown, revoke the authority of any bar association or other group of attorneys to operate a lawyer referral service, and may adopt such regulations governing the establishment, operation and revocation of permission to operate such a service as it may deem desirable.

Article XV

1. Professional service corporations organized to practice law pursuant to the provisions of The Professional Service Corporation Act are authorized to engage in the practice of law in Florida but only while all shareholders of such corporation are active members of The Florida Bar in good standing and only while such corporation and all of its shareholders, officers, directors, agents and employees comply with the provisions of The Professional Service Corporation Act and the applicable provisions of the Integration Rule and By-Laws of The Florida Bar.

2. No professional service corporation may engage in the practice of law except through officers, agents or employees who are active members of The Florida Bar in good standing.

3. No person shall serve as a director of a professional service corporation engaged in the practice of law except an active member of The Florida Bar in good standing. No person shall be elected or shall serve as an executive officer of any such corporation except a person who is a shareholder in such corporation.

4. (a) Before a professional service corporation shall engage in the practice of law, it shall file with The Florida Bar a true copy of its Articles of Incorporation duly certified by the Secretary of State of Florida and an initial report.

or sanctions the violation of the provisions of The Professional Service Corporation Act or the Integration Rule or By-Laws of The Florida Bar specifically relating thereto shall be subject to disciplinary action.

Article XVI
UNAUTHORIZED PRACTICE OF LAW

1. Pursuant to the provisions of Article V, Section 23 of the Florida Constitution, this Court has inherent jurisdiction to prohibit the unauthorized practice of law. The practice of law by persons whose fitness is not approved shall constitute a contempt of this Court.

2. The Florida Bar, as an official arm of this Court, is charged with the duty of investigating matters pertaining to the unauthorized practice of law. The Board of Governors of The Florida Bar shall establish not less than one committee in each judicial circuit, for the purpose of receiving complaints and conducting preliminary investigations of reported unauthorized practices. The membership, appointment, terms, officers, oath, removal, quorum and vote of each such committee shall be in accordance with the provisions of subsections (c) through (h) inclusive of Rule 11.03 (2) in Article XI of this Rule.

3. It shall be the duty of each committee to investigate with dispatch all reports of the unauthorized practice of law, and to make prompt written report of its investigation and findings to the Board of Governors. The Board of Governors shall receive and evaluate the committee reports and determine whether or not a complaint should be filed against any alleged offender. All such complaints shall be by written petition filed in this Court by The Florida Bar and in its name.

4. Each such petition shall be processed in this Court in accordance with the following procedure:

(a) The Petition shall not be framed in technical language, but shall with reasonable clarity set forth the alleged facts constituting the unauthorized practice of law. A prayer for relief may be included in the petition, but shall not be required.

(b) This Court, upon consideration of any petition so filed, may issue its order to show cause directed to the respondent commanding said respondent to show cause if any there be, why the respondent should not be held and adjudged in contempt of this Court, and further requiring the respondent to file with the Court within a designated time a written answer admitting or denying the matter set forth in the petition. The legal sufficiency of the petition may, at the option of the respondent, be raised by motion filed prior to or at the time of the filing of the answer. The order and petition shall be served upon the respondent in the manner provided for service of process by Rule 1.3(c) Florida Rules of Civil Procedure. Service of all other pleadings shall be governed by the provisions of Rule 1.4, Florida Rules of Civil Procedure.

(c) Any party may request oral argument upon any question of law raised by the initial pleadings. The Court may, in its discretion, set the matter for oral argument upon the next convenient motion day, or at such time as it deems appropriate.

(d) If no response or defense is filed within the time permitted, the allegations of the petition shall be taken as true for purposes of that action. Article XVII
CLIENTS' SECURITY FUND

1. Pursuant to the authority granted by Article XVII of the Integration Rule of The Florida Bar, the Board of Governors of The Florida Bar hereby establishes a separate fund designated "Clients' Security Fund of The Florida Bar," to be administered as hereinafter provided for. No applicant shall have any contractual, statutory, legal or equitable right to a grant of monetary relief from the Fund.

2. *Definitions*

For this by-law the following terms shall have the following meanings:

(a) "Applicant" means a person or persons or any legal entity that has filed an application with The Florida Bar for a grant of monetary relief from the Fund based on a claim that he, she or it has suffered a loss.

(b) "The Bar" means The Florida Bar.

(c) "The Board" means the Board of Governors of The Florida Bar.

(d) "The Executive Director" means the Executive Director of The Florida Bar.

(e) "The Court" means the Supreme Court of Florida.

(f) "The Fund" means the Clients' Security Fund of The Florida Bar; and

(g) "Loss" means a loss suffered by a client by reason of misappropriation, embezzlement or other wrongful taking or conversion by one or more members of The Florida Bar of money or other property of such client that came into the possession or control of said member or members of The Florida Bar under an attorney and client relationship, provided, however, that such relationship was not for a wrongful purpose and the client was not guilty of any bad faith in putting the money or other property in possession or control of the member or members of The Florida Bar.

3. *Creation and Administration of Fund Resources:*

(a) The Board of Governors of The Florida Bar shall allocate to the Fund from the annual dues of the members of the Bar not more than $10.00 per member per annum.

(b) The Board is authorized to accept for the Fund any contributions or gifts offered to it for use in furtherance of the purposes of the Fund.

(c) The Executive Director in his capacity as Treasurer of The Florida Bar is hereby charged with the administrative functions pertaining to receiving, segregating, safekeeping, disbursing and accounting for all Fund assets, subject to instructions of the Board.

(d) The Fund shall be administered by the Board of Governors of The Florida Bar.

4. *Special Rules:*

(a) The Board shall not honor any request for monetary relief:

(1) until a final judgment of discipline shall have been entered adjudging the member or members of The Florida Bar guilty of misconduct which occasioned the loss sought to be reimbursed and determining the amount of loss due to such misconduct.

(2) unless the application is based on a loss sustained after December 31, 1966, and the loss resulted solely and directly from an attorney and client relationship.

(b) The Board may as a condition precedent to the grant of monetary relief require that the applicant reduce said loss to a final judgment or decree of a court of competent jurisdiction against the member or members of The Florida Bar responsible for said loss.

5. *Form of Application for Relief:*

The Board shall as soon as practicable prescribe an appropriate form for use by applicants for making applications for monetary relief.

6. *Board Duties:*

The Board shall investigate every application for relief which appears to meet the requirements of this by-law and shall consider each such application. If, in the

judgment of the Board, a loss as hereinabove defined has been sustained by the applicant, and if the circumstances warrant relief, then, after taking into consideration the resources of the Fund and the priority to be assigned to such application in the discretion of the Board, the Board may, in the exercise of its discretion, as a matter of grace and not of right, grant monetary relief. Such monetary relief shall be in such an amount as the Board may determine and shall be payable in such a manner and upon such conditions and terms as the Board shall prescribe.

7. *Assignments and Salvage:*

(a) When the Board grants such monetary relief, it shall obtain from the applicant an assignment, which shall run in favor of The Florida Bar, of the subrogation rights or of the unsatisfied portion of the judgment or decree obtained by the client against the member or members of The Florida Bar, or the fractional part of such unsatisfied portion of said judgment or decree as the total amount of the monetary relief granted bears to the total unsatisfied portion of the judgment or decree. All sums collected on any such subrogation rights, judgment or decree, or fractional interest therein, shall be placed in and become a part of said Fund.

(b) The Board of Governors shall exert every reasonable effort to recover from the offending lawyer or lawyers such amounts as shall have been paid from the Fund to an applicant.

OATH OF ADMISSION

(As adopted by the Florida Supreme Court on January 27, 1941*)

"The general principles which should ever control the lawyer in the practice of his profession are clearly set forth in the following Oath of Admission to the Bar, which they are sworn on admission to obey and for the wilful violation of which disbarment may be had.

"I DO SOLEMNLY SWEAR:

"I will support the Constitution of the United States and the Constitution of the State of Florida.

"I will maintain the respect due to Courts of Justice and Judicial officers;

"I will not counsel or maintain any suit or proceeding which shall appear to me to be unjust, nor any defense except such as I believe to be honestly debatable under the law of the land;

"I will employ for the purpose of maintaining the causes confided to me such means only as are consistent with truth and honor, and will never seek to mislead the Judge or jury by any artifice or false statement of fact or law;

"I will maintain the confidence and preserve inviolate the secrets of my client, and will accept no compensation in connection with his business except from him or with his knowledge and approval;

"I will abstain from all offensive personalities and advance no fact prejudicial to the honor or reputation of a party or witness, unless required by the justice of the cause with which I am charged;

"I will never reject, from any consideration personal to myself, the cause of the defenseless or oppressed, or delay any man's cause for lucre or malice. So Help Me God."

CANONS OF PROFESSIONAL ETHICS

(As adopted by the Florida Supreme Court on December 6, 1955, and as further amended November 17, 1958, March 25, 1964, and May 11, 1966.)

1. The Duty of the Lawyer to the Courts.

It is the duty of the lawyer to maintain towards the Courts a respectful attitude, not for the sake of the temporary incumbent of the judicial office, but for the maintenance of its supreme importance. Judges, not being wholly free to defend themselves, are peculiarly entitled to receive the support of the Bar against unjust criticism and clamor. Whenever there is proper ground for serious complaint of a judicial officer, it is the right and duty of the lawyer to submit his grievances to the proper authorities. In such cases, but not otherwise, such charges should be encouraged and the person making them should be protected.

2. The Selection of Judges.

It is the duty of the Bar to endeavor to prevent political considerations from outweighing judicial fitness in the selections of Judges. It should protest earnestly and actively against the appointment or election of those who are unsuitable for the Bench; and it should strive to have elevated thereto only those willing to forego other employments, whether of a business, political or other character, which may embarrass their free and fair consideration of questions before them for decision. The aspiration of lawyers for judicial position should be governed by an impartial estimate of their

* The preliminary sentence and oath quoted above are taken from the rules adopted by the Florida Supreme Court on January 27, 1941. See 145 Fla. 797, 798 and 31 F.S.A. (1950 Ed.) 420.

ability to add honor to the office and not by a desire for the distinction the position may bring to themselves. When a lawyer seeks election to a judicial office he shall be bound by the same rules of political ethics and conduct which bind judges who seek election or re-election to a judicial office. See Canons of Ethics Governing Judges, Rule A, Canons 28 and 30.

3. Attempts to Exert Personal Influence on the Court.

Marked attention and unusual hospitality on the part of a lawyer to a Judge, uncalled for by the personal relations of the parties, subject both the Judge and the lawyer to misconstructions of motive and should be avoided. A lawyer should not communicate or argue privately with the Judge as to the merits of a pending cause, and he deserves rebuke and denunciation for any device or attempt to gain from a Judge special consideration or favor. A self-respecting independence in the discharge of professional duty, without denial or diminution of the courtesy and respect due the Judge's station, the only proper foundation for cordial personal and official relations between Bench and Bar.

4. When Counsel for an Indigent Prisoner.

A lawyer assigned as counsel for an indigent prisoner ought not to ask to be excused for any trivial reason, and should always exert his best efforts in his behalf.

5. The Defense or Prosecution of Those Accused of Crime.

It is the right of the lawyer to undertake the defense of a person accused of crime, regardless of his personal opinion as to the guilt of the accused; otherwise innocent persons, victims only of suspicious circumstances, might be denied proper defense. Having undertaken such defense, the lawyer is bound, by all fair and honorable means, to present every defense that the law of the land permits, to the end that no person may be deprived of life or liberty but by due process of law.

The primary duty of a lawyer engaged in public prosecution is not to convict, but to see that justice is done. The suppression of facts or the secreting of witnesses capable of establishing the innocence of the accused is highly reprehensible.

6. Adverse Influences and Conflicting Interests.

It is the duty of a lawyer at the time of retainer to disclose to the client all the circumstances of his relations to the parties, and any interest in or connection with the controversy, which might influence the client in the selection of counsel.

It is unprofessional to represent conflicting interests, except by express consent of all concerned given after a full disclosure of the facts. Within the meaning of this canon, a lawyer represents conflicting interests when, in behalf of one client, it is his duty to contend for that which duty to another client requires him to oppose.

The obligation to represent the client with undivided fidelity and not to divulge his secrets or confidences forbids also the subsequent acceptance of retainers or employment from others in matters adversely affecting any interest of the client with respect to which confidence has been reposed.

7. Professional Colleagues and Conflicts of Opinion.

A client's proffer of assistance of additional counsel should not be regarded as evidence of want of confidence, but the matter should be left to the determination of the client. A lawyer should decline association as colleague if it is objectionable to the original counsel, but if the lawyer first retained is relieved, another may come into the case.

6. Adverse Influences and Conflicting Interests.

It is the duty of a lawyer at the time of retainer to disclose to the client all the circumstances of his relations to the parties, and any interest in or connection with the controversy, which might influence the client in the selection of counsel.

It is unprofessional to represent conflicting interests, except by express consent of all concerned given after a full disclosure of the facts. Within the meaning of this canon, a lawyer represents conflicting interests when, in behalf of one client, it is his duty to contend for that which duty to another client requires him to oppose.

The obligation to represent the client with undivided fidelity and not to divulge his secrets or confidences forbids also the subsequent acceptance of retainers or employment from others in matters adversely affecting any interest of the client with respect to which confidence has been reposed.

7. Professional Colleagues and Conflicts of Opinion.

A client's proffer of assistance of additional counsel should not be regarded as evidence of want of confidence, but the matter should be left to the determination of the client. A lawyer should decline association as colleague if it is objectionable to the original counsel, but if the lawyer first retained is relieved, another may come into the case.

When lawyers jointly associated in a cause cannot agree as to any matter vital to the interest of the client, the conflict of opinion should be frankly stated to him for his final determination. His decision should be accepted unless the nature of the difference makes it impracticable for the lawyer whose judgment has been overruled to co-operate effectively. In this event it is his duty to ask the client to relieve him.

Efforts, direct or indirect, in any way to encroach upon the professional employment of another lawyer, are unworthy of those who should be brethren at the Bar; but nevertheless, it is the right of any lawyer, without fear or favor, to give proper advice to those seeking relief against unfaithful or neglectful counsel, generally after communication with the lawyer of whom the complaint is made.

8. Advising Upon the Merits of a Client's Cause.

A lawyer should endeavor to obtain full knowledge of his client's cause before advising thereon, and he is bound to give a candid opinion of the merits and probable result of pending or contemplated litigation. The miscarriages to which justice is subject, by reason of surprises and disappointments in evidence and witnesses, and through mistakes of juries and errors of Courts, even though only occasional, admonish lawyers to beware of bold and confident assurances to clients, especially where the employment may depend upon such assurance. Whenever the controversy will admit of fair judgment, the client should be advised to avoid or to end the litigation.

9. Negotiations With Opposite Party.

A lawyer should not in any way communicate upon the subject of controversy with a party represented by counsel; much less should he undertake to negotiate or compromise the matter with him, but should deal only with his counsel. It is incumbent upon the lawyer most particularly to avoid everything that may tend to mislead a party not represented by counsel, and he should not undertake to advise him as to the law.

10. Acquiring Interest in Litigation.

The lawyer should not purchase any interest in the subject matter of the litigation which he is conducting.

11. Dealing With Trust Property.

The lawyers should refrain from any action whereby for his personal benefit or gain he abuses or takes advantage of the confidence reposed in him by his client.

Money of the client or collected for the client or other trust property coming into the possession of the lawyer should be reported and accounted for promptly, and should not under any circumstances be commingled with his own or be used by him.

12. Fixing the Amount of the Fee.

In fixing fees, lawyers should avoid charges which overestimate their advice and services, as well as those which undervalue them. A client's ability to pay cannot justify a charge in excess of the value of the service, though his poverty may require a less charge, or even none at all. The reasonable requests of brother lawyers, and of their widows and orphans without ample means, should receive special and kindly consideration.

In determining the amount of the fee, it is proper to consider: (1) the time and labor required, the novelty and difficulty of the questions involved and the skill requisite properly to conduct the cause; (2) whether the acceptance of employment in the particular case will preclude the lawyer's appearance for others in cases likely to arise out of the transaction, and in which there is a reasonable expectation that otherwise he would be employed, or will involve the loss of other employment while

employed in the particular case or antagonisms with other clients; (3) the customary charges of the Bar for similar services; (4) the amount involved in the controversy and the benefits resulting to the client from the services; (5) the contingency or the certainty of the compensation; and (6) the character of the employment, whether casual or for an established and constant client. No one of these considerations in itself is controlling. They are mere guides in ascertaining the real value of the service.

In determining the customary charges of the Bar for similar services, it is proper for a lawyer to consider a schedule of minimum fees adopted by a Bar Association, but no lawyer should permit himself to be controlled thereby or to follow it as his sole guide in determining the amount of his fee.

In fixing fees it should never be forgotten that the profession is a branch of the administration of justice and not a mere money-getting trade.

13. Contingent Fees.

A contract for a contingent fee, where sanctioned by law, should be reasonable under all the circumstances of the case, including the risk and uncertainty of the compensation, but should always be subject to the supervision of a court, as to its reasonableness.

14. Suing a Client for a Fee.

Controversies with clients concerning compensation are to be avoided by the lawyer so far as shall be compatible with his self-respect and with his right to receive reasonable recompense for his services; and lawsuits with clients should be resorted to only to prevent injustice, imposition or fraud.

15. How Far a Lawyer May Go in Supporting a Client's Cause.

Nothing operates more certainly to create or to foster popular prejudice against lawyers as a class, and to deprive the profession of that full measure of public esteem and confidence which belongs to the proper discharge of its duties than does the false claim, often set up by the unscrupulous in defense of questionable transactions, that it is the duty of the lawyer to do whatever may enable him to succeed in winning his client's cause.

It is improper for a lawyer to assert in argument his personal belief in his client's innocence or in the justice of his cause.

The lawyer owes "entire devotion to the interest of the client, warm zeal in the maintenance and defense of his rights and the exertion of his utmost learning and ability," to the end that nothing be taken or be withheld from him, save by the rules of law, legally applied. No fear of judicial disfavor or public unpopularity should restrain him from the full discharge of his duty. In the judicial forum the client is entitled to the benefit of any and every remedy and defense that is authorized by the law of the land, and he may expect his lawyer to assert every such remedy or defense. But it is steadfastly to be borne in mind that the great trust of the lawyer is to be performed within and not without the bounds of the law. The office of attorney does not permit, much less does it demand of him for any client, violation of law or any manner of fraud or chicane. He must obey his own conscience and not that of his client.

16. Restraining Clients from Improprieties.

A lawyer should use his best efforts to restrain and to prevent his clients from doing those things which the lawyer himself ought not to do, particularly with

reference to their conduct towards Courts, judicial officers, Jurors, witnesses and suitors. If a client persists in such wrong-doing the lawyer should terminate their relation.

17. Ill-Feeling and Personalities Between Advocates.

Clients, not lawyers, are the litigants. Whatever may be the ill-feeling existing between clients, it should not be allowed to influence counsel in their conduct and demeanor toward each other or toward suitors in the case. All personalities between counsel should be scrupulously avoided. In the trial of a cause it is indecent to allude to the personal history or the personal peculiarities and idiosyncrasies of counsel on the other side. Personal colloquies between counsel which cause delay and promote unseemly wrangling should also be carefully avoided.

18. Treatment of Witnesses and Litigants.

A lawyer should always treat adverse witnesses and suitors with fairness and due consideration, and he should never minister to the malevolence or prejudices of a client in the trial or conduct of a cause. The client cannot be made the keeper of the lawyer's conscience in professional matters. He has no right to demand that his counsel shall abuse the opposite party or indulge in offensive personalities. Improper speech is not excusable on the ground that it is what the client would say if speaking in his own behalf.

19. Appearance of Lawyer as Witness for His Client.

When a lawyer is a witness for his client, except as to merely formal matters, such as the attestation or custody of an instrument and the like, he should leave the trial of the case to other counsel. Except when essential to the ends of justice, a lawyer should avoid testifying in court in behalf of his client.

20. Newspaper Discussion of Pending Litigation.

Newspaper publications by a lawyer as to pending or anticipated litigation may interfere with a fair trial in the Courts and otherwise prejudice the due administration of justice. Generally they are to be condemned. If the extreme circumstances of a particular case justify a statement to the public, it is unprofessional to make it anonymously. An ex parte reference to the facts should not go beyond quotation from the records and papers on file in the court; but even in extreme cases it is better to avoid any ex parte statement.

21. Punctuality and Expedition.

It is the duty of the lawyer not only to his client, but also to the Courts and to the public to be punctual in attendance, and to be concise and direct in the trial and disposition of causes.

22. Candor and Fairness.

The conduct of the lawyer before the Court and with other lawyers should be characterized by candor and fairness.

It is not candid or fair for the lawyer knowingly to misquote the contents of a paper, the testimony of a witness, the language or the argument of opposing counsel, or the language of a decision or a textbook; or with knowledge of its invalidity, to cite as authority a decision that has been overruled, or a statute that has been repealed; or in argument to assert as a fact that which has not been proved, or in those jurisdictions

where a side has the opening and closing arguments to mislead his opponent by concealing or withholding positions in his opening argument upon which his side then intends to rely.

It is unprofessional and dishonorable to deal other than candidly with the facts in taking the statements of witnesses, in drawing affidavits and other documents, and in the presentation of causes.

A lawyer should not offer evidence which he knows the Court should reject, in order to get the same before the jury by argument for its admissibility, nor should he address to the Judge arguments upon any point not properly calling for determination by him. Neither should be introduce into an argument, addressed to the court, remarks or statements intended to influence the jury or bystanders.

These and all kindred practices are unprofessional and unworthy of an officer of the law charged, as is the lawyer, with the duty of aiding in the administration of justice.

23. Relations With Jury.

All attempts to curry favor with juries by fawning, flattery or pretended solicitude for their personal comfort are unprofessional. Suggestions of counsel, looking to the comfort or convenience of jurors, and propositions to dispense with argument, should be made to the Court out of the jury's hearing.

Both before and during the trial, a lawyer should avoid conversing or otherwise communicating with a juror on any subject, whether pertaining to the case or not. Subject to any limitations imposed by law it is a lawyer's right, after the jury has been discharged, to interview the jurors solely to determine whether their verdict is subject to any legal challenge provided he has reason to believe that ground for such challenge may exist, and further provided that prior to any such interview made by him or under his direction, he shall file in the cause, and deliver a copy to the trial judge and opposing counsel, a notice of intention to interview such juror or jurors setting forth in such notice the name of each such juror. The scope of the interview should be restricted and caution should be used to avoid embarrassment to any juror and to avoid influencing his action in any subsequent jury service.

24. Right of Lawyer to Control the Incidents of the Trial.

As to incidental matters pending the trial, not affecting the merits of the cause, or working substantial prejudice to the rights of the client, such as forcing the opposite lawyer to trial when he is under affliction or bereavement; forcing the trial on a particular day to the injury of the opposite lawyer when no harm will result from a trial at a different time; agreeing to an extension of time for signing a bill of exceptions, cross interrogatories and the like, the lawyer must be allowed to judge. In such matters no client has a right to demand that his counsel shall be illiberal, or that he do anything therein repugnant to his own sense of honor and propriety.

25. Taking Technical Advantage of Opposite Counsel; Agreements With Him.

A lawyer should not ignore known customs or practice of the Bar or of a particular Court, even when the law permits, without giving timely notice to the opposing counsel. As far as possible, important agreements, affecting the rights of clients, should be reduced to writing; but it is dishonorable to avoid performance of an agreement fairly made because it is not reduced to writing, as required by rules of Court.

26. Professional Advocacy Other Than Before Courts.

A lawyer openly, and in his true character may render professional services before legislative or other bodies, regarding proposed legislation and in advocacy of claims before departments of government, upon the same principles of ethics which justify his appearance before the Courts; but it is unprofessional for a lawyer so engaged to conceal his attorneyship, or to employ secret personal solicitations, or to use means other than those addressed to the reason and understanding to influence action.

27. Advertising, Direct or Indirect.

It is unprofessional to solicit professional employment by circulars, advertisements, through touters or by personal communications or interviews not warranted by personal relations. Indirect advertisements for professional employment such as furnishing or inspiring newspaper comments, or procuring his photograph to be published in connection with causes in which the lawyer has been or is engaged or concerning the manner of their conduct, the magnitude of the interest involved, the importance of the lawyer's position, and all other like self-laudation, offend the traditions and lower the tone of our profession and are reprehensible; but the customary use of simple professional cards is not improper.

Publication in reputable law lists in a manner consistent with the standards of conduct imposed by these canons of brief biographical and informative data is permissible. Such data must not be misleading and may include only a statement of the lawyer's name and the names of his professional associates; addresses, telephone numbers, cable addresses; branches of the profession practiced; date and place of birth and admission to the bar; schools attended; with dates of graduation, degrees and other educational distinctions; public or quasi-public offices; posts of honor; legal authorships; legal teaching positions; memberships and offices in bar associations and committees thereof, in legal and scientific societies and legal fraternities; the fact of listings in other reputable law lists; the names and addresses of references; and, with their written consent, the names of clients regularly represented. A certificate of compliance with the Rules and Standards issued by the Special Committee on Law Lists may be treated as evidence that such list is reputable.

It is not improper for a lawyer who is admitted to practice as a proctor in admiralty to use that designation on his letterhead or shingle or for a lawyer who has complied with the statutory requirements of admission to practice before the patent office, to so use the designation "patent attorney" or "patent lawyer" or "trademark attorney" or "trademark lawyer" or any combination of those terms.

28. Stirring Up Litigation, Directly or Through Agents.

It is unprofessional for a lawyer to volunteer advice to bring a lawsuit, except in rare cases where ties of blood relationship or trust make it his duty to do so. Stirring up strife and litigation is not only unprofessional, but it is indictable at common law. It is disreputable to hunt up defects in titles or other causes of action and inform thereof in order to be employed to bring suit or collect judgment, or to breed litigation by seeking out those with claims for personal injuries or those having any other grounds of action in order to secure them as clients, or to employ agents or runners for like purposes, or to pay or reward, directly or indirectly, those who bring or influence the bringing of such cases to his office, or to remunerate policemen, court of prison officials, physicians, hospital attaches or others who may succeed, under the guise of giving disinterested friendly advice, in influencing the criminal, the sick and

the injured, the ignorant or others, to seek his professional services. A duty to the public and to the profession devolves upon every member of the Bar having knowledge of such practices upon the part of any practitioner immediately to inform thereof, to the end that the offender may be disbarred.

29. Upholding the Honor of the Profession.

Lawyers should expose without fear or favor before the proper tribunals corrupt or dishonest conduct in the profession, and should accept without hesitation employment against a member of the Bar who has wronged his client. The counsel upon the trial of a cause in which perjury has been committed owe it to the profession and to the public to bring the matter to the knowledge of the prosecuting authorities. The lawyer should aid in guarding the Bar against the admission to the profession of candidates unfit or unqualified because deficient in either moral character or education. He should strive at all times to uphold the honor and to maintain the dignity of the profession and to improve not only the law but the administration of justice.

30. Justifiable and Unjustifiable Litigations.

The lawyer must decline to conduct a civil cause or to make a defense when convinced that it is intended merely to harass or to injure the opposite party or to work oppression or wrong. But otherwise it is his right, and, having accepted retainer, it becomes his duty to insist upon the judgment of the Court as to the legal merits of his client's claim. His appearance in Court should be deemed equivalent to an assertion on his honor that in his opinion his client's case is one proper for judicial determination.

31. Responsibility for Litigation.

No lawyer is obliged to act either as adviser or advocate for every person who may wish to become his client. He has the right to decline employment. Every lawyer upon his own responsibility must decide what employment he will accept as counsel, what causes he will bring into Court for plaintiffs, what cases he will contest in Court for defendants. The responsibility for advising as to questionable transactions, for bringing questionable suits, for urging questionable defenses, is the lawyer's responsibility. He cannot escape it by urging as an excuse that he is only following his client's instructions.

32. The Lawyer's Duty in Its Last Analysis.

No client, corporate or individual, however powerful, nor any cause, civil or political, however important, is entitled to receive nor should any lawyer render any service or advice involving disloyalty to the law whose ministers we are, or disrespect of the judicial office, which we are bound to uphold, or corruption of any person or persons exercising a public office or private trust, or deception or betrayal of the public. When rendering any such improper service or advice, the lawyer invites and merits stern and just condemnation. Correspondingly, he advances the honor of his profession and the best interests of his client when he renders service or gives advice tending to impress upon the client and his undertaking exact compliance with the strictest principles of moral law. He must also observe and advise his client to observe the statute law, though until a statute shall have been construed and interpreted by competent adjudication, he is free and is entitled to advise as to its validity and as to what he conscientiously believes to be its just meaning and extent. But above all a lawyer will find his highest honor in a deserved reputation for fidelity to private trust and to public duty, as an honest man and as a patriotic and loyal citizen.

33. Partnerships – Professional Service Corporations.

Partnerships among lawyers for the practice of their profession are very common and are not to be condemned. The formation and use of a professional service corporation for the practice of law pursuant to the provisions of The Professional Service Corporation Act shall be permissible, subject always to compliance with such rules, regulations and requirements as may from time to time be promulgated by the Supreme Court of Florida. In the formation of partnerships and professional service corporations and the use of partnership or corporate names, care should be taken not to violate any law, custom or rule of court locally applicable. In the formation of partnerships and professional service corporations for the practice of law, no person should be admitted or held out as a practitioner who is not a member of the legal profession duly authorized to practice and amenable to professional discipline. In the selection and use of a firm or corporate name no false, misleading, assumed or trade names should be used, except that a fictitious name may be used by a professional service corporation as authorized by The Professional Service Corporation Act. The continued use of the name of a deceased or former partner or shareholder when permissible by local custom is not unethical but care should be taken that no imposition or deception is practiced through this use. When a member of the firm or shareholder in the corporation, on becoming a judge, is precluded from practicing law, his name must not be continued in the firm or corporate name.

Partnerships between lawyers and members of other professions or non-professional persons must not be formed or permitted where any part of the partnership's employment consists of the practice of law.

The practice of law in any of its aspects by a professional service corporation as hereinabove sanctioned shall not in any way lessen the responsibilities of an individual lawyer or a group of lawyers under the Code of Ethics and such a corporation may not be used to lower, and shall not be permitted to lower, directly or indirectly, the ethical standards of the legal profession; and the Code of Ethics shall be construed accordingly.

34. Division of Fees.

No division of fees for legal services is proper, except with another lawyer, based upon a division of service or responsibility.

35. Intermediaries.

The professional services of a lawyer should not be controlled or exploited by any lay agency, personal or corporate, which intervenes between client and lawyer. A lawyer's responsibilities and qualifications are individual. He should avoid all relations which direct the performance of his duties by or in the interest of such intermediary. A lawyer's relation to his client should be personal, and the responsibility should be direct to the client. Charitable societies rendering aid to the indigents are not deemed such intermediaries.

A lawyer may accept employment from any organization, such as an association, club or trade organization, to render legal services in any matter in which the organization, as an entity, is interested, but this employment should not include the rendering of legal services to the members of such an organization in respect to their individual affairs.

Professional service corporations organized to practice law pursuant to The Professional Service Corporation Act shall not be deemed lay agencies or such intermediaries.

36. Retirement from Judicial Position or Public Employment.

A lawyer should not accept employment as an advocate in any matter upon the merits of which he has previously acted in a judicial capacity.

A lawyer, having once held public office or having been in the public employ, should not after his retirement accept employment in connection with any matter which he has investigated or passed upon while in such office or employ.

37. Confidences of a Client.

It is the duty of a lawyer to preserve his client's confidences. This duty outlasts the lawyer's employment, and extends as well to his employees; and neither of them should accept employment which involves or may involve the disclosure or use of these confidences, either for the private advantage of the lawyer or his employees or to the disadvantage of the client, without his knowledge and consent, and even though there are other available sources of such information. A lawyer should not continue employment when he discovers that this obligation prevents the performance of his full duty to his former or to his new client.

If a lawyer is accused by his client, he is not precluded from disclosing the truth in respect to the accusation. The announced intention of a client to commit a crime is not included within the confidences which he is bound to respect. He may properly make such disclosures as may be necessary to prevent the act or protect those against whom it is threatened.

38. Compensation, Commissions and Rebates.

A lawyer should accept no compensation, commissions, rebates or other advantages from others without the knowledge and consent of his client after full disclosure.

39. Witnesses.

A lawyer may properly interview any witness or prospective witness for the opposing side in any civil or criminal action without the consent of opposing counsel or party. In doing so, however, he should scrupulously avoid any suggestion calculated to induce the witness to suppress or deviate from the truth, or in any degree to affect his free and untrammeled conduct when appearing at the trial or on the witness stand.

40. Newspapers.

A lawyer may with propriety write articles for publications in which he gives information upon the law; but he should not accept employment from such publications to advise inquirers in respect to the individual rights.

41. Discovery of Imposition and Deception.

When a lawyer discovers that some fraud or deception has been practiced, which has unjustly imposed upon the court or a party, he should endeavor to rectify it; at first by advising his client, and if his client refuses to forego the advantage thus unjustly gained, he should promptly inform the injured person or his counsel, so that they may take appropriate steps.

42. Expenses.

A lawyer may not properly agree with a client that the lawyer shall pay or bear

the expenses of litigation; he may in good faith advance expenses as a matter of convenience, but subject to reimbursement.

43. Approved Law Lists.

It shall be improper for a lawyer to permit his name to be published in a law list the conduct, management or contents of which are calculated or likely to deceive or injure the public or the profession, or to lower the dignity or standing of the profession.

44. Withdrawal From Employment as Attorney or Counsel.

The right of an attorney or counsel to withdraw from employment, once assumed, arises only from good cause. Even the desire or consent of the client is not always sufficient. The lawyer should not throw up the unfinished task to the detriment of his client except for reasons of honor or self-respect. If the client insists upon an unjust or immoral course in the conduct of his case, or if he persists over the attorney's remonstrance in presenting frivolous defenses, or if he deliberately disregards an agreement or obligation as to fees or expenses, the lawyer may be warranted in withdrawing on due notice to the client, allowing him time to employ another lawyer. So also when a lawyer discovers that his client has no case and the client is determined to continue it; or even if the lawyer finds himself incapable of conducting the case effectively. Sundry other instances may arise in which withdrawal is to be justified. Upon withdrawing from a case after a retainer has been paid, the attorney should refund such part of the retainer as has not been clearly earned.

45. Specialists.

The canons of the American Bar Association apply to all branches of the legal profession; specialists in particular branches are not to be considered as exempt from the application of these principles.

46. Notice of Specialized Legal Service.

Where a lawyer is engaged in rendering a specialized legal service directly and only to other lawyers, a brief, dignified notice of that fact, couched in language indicating that it is addressed to lawyers, inserted in legal periodicals and like publications, when it will afford convenient and beneficial information to lawyers desiring to obtain such service is not improper.

47. Aiding the Unauthorized Practice of Law.

No lawyer shall permit his professional services, or his name, to be used in aid of, or to make possible, the unauthorized practice of law by any lay agency, personal or corporate.

Professional service corporations organized to practice law pursuant to The Professional Service Corporation Act shall not be deemed lay agencies.

48. Communist Affiliation.

No lawyer shall become a member of, ally himself with, or in any way lend his allegiance to the Communist party or any subsidiary thereof (as contemplated by amendment to Article XI, disciplinary rule, of the Integration Rule of The Florida Bar, adopted July 13, 1956).

ADDITIONAL RULES GOVERNING THE CONDUCT OF ATTORNEYS IN FLORIDA

(As adopted by the Florida Supreme Court on January 27, 1941, and December 6, 1955*)

It shall be the duty of all persons heretofore or hereafter admitted to practice law in the State of Florida:

1. To represent the interest of the client with undivided fidelity and to honestly and truly account to him for all funds received on his behalf, and on demand pay over to him all monies justly due him.

2. To maintain the respect due to the judicial officers and the Courts of Justice, State or Federal, within the State of Florida.

3. To employ, for the purpose of maintaining the causes confided to them, such means only as are consistent with truth, and never to seek to mislead the judges by any artifice, or by any statement of the law known to be false.

4. To maintain inviolate the confidence and, at every peril to themselves, to preserve the secrets of their clients.

Counsel should present their argument in open court, or by brief, after serving a copy on the other side, and should therefore refrain from discussing the merits of the cause with a justice or judge, by letter or otherwise, either pending the original consideration or upon rehearing.

8. To refrain, except in open court or in the presence of opposing counsel, from arguing or discussing in person, by letter, or other communication, the merits of any case with any judge or court before whom such case is pending, unless a copy of such argument, discussion or communication be furnished to opposing counsel. In order that a proper respect for and consideration of the integrity and character of all courts may be had and promoted, the conduct forbidden by this rule is deemed unethical and improper.

No person heretofore or hereafter admitted to practice law in Florida, shall

19. Solicit his employment or professional engagement or the employment or professional engagement of another whose partner he is, or from whose employment there is any expectation of profit or benefit, directly or indirectly, to himself;

22. Promise to give, or offer to promise or give, a valuable consideration to any person in consideration of having placed in his hands, or in the hands of any person from whose employment there is any expectation of profit or benefit, directly or indirectly, to himself, of a claim or demand or item of business of any kind;

But nothing contained in this rule shall be construed as prohibiting the division of fees with a forwarder of business whether such forwarder be an attorney or a reputable collection agency;

32. Any attorney who shall do or be guilty of any of the acts forbidden or prohibited by law or rules of court may be subject to disciplinary action by public or private reprimand, or by suspension from the practice of law, or by exclusion and disbarment therefrom.

33. An attorney may be disbarred and excluded from the practice of law when any judgment is rendered against him for money collected by him as attorney upon which judgment an execution has issued and been returned no property.

CANONS OF JUDICIAL ETHICS

(As adopted by the Florida Supreme Court on January 27, 1941.
and December 6, 1955, and as amended November 17, 1958)

Ancient Precedents

"And I charged your judges at that time, saying Hear the causes between your brethren, and judge righteously between every man and his brother, and the stranger that is with him."

"Ye shall not respect persons in judgment; but ye shall hear the small as well as the great; ye shall not be afraid of the face of man; for the judgment is God's; and the cause that is too hard for you, bring it unto me, and I will hear it."– Deuteronomy I: 16-17.

"Thou shall not wrest judgment: thou shall not respect persons, neither take a gift; for a gift doth blind the eyes of the wise, and pervert the words of the righteous."– Deuteronomy 16:19

"We will not make any justiciaries, constables, sheriffs or bailiffs, but from those who understand the law of the realm and are well disposed to observe it."– Magna Charta, XLV.

"Judges ought to remember that their office is *jus dicere* not *jus dare;* to interpret law, and not to make law, or give law. . . ."

"Judges ought to be more learned than witty; more reverend than plausible; and more advised than confident. Above all things, integrity is their portion and proper virtue.". . .

"Patience and gravity of hearing is an essential part of justice; and an over speaking judge is no well-tuned cymbal. It is no grace to a judge first to find that which he might have heard in due time from the Bar, or to show quickness of conceit in cutting off evidence or counsel too short; or to prevent information by questions though pertinent."

"The place of justice is a hallowed place; and therefore not only the Bench, but the foot pace and precincts and purprise thereof ought to be preserved without scandal and corruption." . . .– Bacon's Essay "Of Judicature."

1. Relations of the Judiciary.

The assumption of the office of judge casts upon the incumbent duties in respect to his personal conduct which concern his relation to the state and its inhabitants, the litigants before him, the principles of law, the practitioners of law in his court, and the witnesses, jurors and attendants who aid him in the administration of its functions.

2. The Public Interest.

Courts exist to promote justice and thus to serve the public interest. Their administration should be diligent and careful. Every judge should at all times be alert in his rulings and in the conduct of the business of the court, so far as he can, to make it useful to litigants and to the community. He should avoid unconsciously falling into the attitude of mind that the litigants are made for the courts instead of the courts for the litigants.

3. Constitutional Obligations.

It is the duty of all judges in the United States to support the Federal Constitution and that of the State whose laws they administer; in so doing, they should fearlessly observe and apply fundamental limitations and guarantees.

4. Avoidance of Impropriety.

A judge's official conduct should be free from impropriety and the appearance of impropriety; he should avoid infractions of law; and his personal behavior, not only upon the Bench and in the performance of judicial duties, but also in his everyday life, should be beyond reproach.

5. Essential Conduct.

A judge should be temperate, attentive, patient, impartial, and since he is to administer the law and apply it to the facts, he should be studious of the principles of the law and diligent in endeavoring to ascertain the facts.

6. Industry.

A judge should exhibit an industry and application commensurate with the duties imposed upon him.

7. Promptness.

A judge should be prompt in the performances of his judicial duties, recognizing that the time of litigants, jurors and attorneys is of value and that habitual lack of punctuality on his part justifies dissatisfaction with the administration of the business of the court.

8. Court Organization.

A judge should organize the court with a view to the prompt and convenient dispatch of its business and he should not tolerate abuses and neglect by clerks, and other assistants who are sometimes prone to presume too much upon his good natured acquiescence by reason of friendly association with him.

It is desirable too, where the judicial system permits that he should cooperate with other judges of the same court, and in other courts, as members of a single judicial system, to promote the more satisfactory administration of justice.

9. Consideration for Jurors and Others.

A judge should be considerate of jurors, witnesses and others in attendance upon the court.

10. Courtesy and Civility.

A judge should be courteous to counsel, especially to those who are young and inexperienced, and also to all others appearing or concerned in the administration of justice in the court.

He should also require, and, so far as his power extends, enforce on the part of clerks, court officers and counsel civility and courtesy to the court and to jurors, witnesses, litigants and others having business in the court.

11. Unprofessional Conduct of Attorneys and Counsel.

A judge should utilize his opportunities to criticize and correct unprofessional conduct of attorneys and counsellors, brought to his attention; and if adverse comment is not a sufficient corrective, should send the matter at once to the proper investigating and disciplinary authorities.

12. Appointees of the Judiciary and Their Compensation.

Trustees, receivers, masters, referees, guardians and other persons appointed by a judge to aid in the administration of justice should have the strictest probity and impartiality and should be selected with a view solely to their character and fitness. The power of making such appointments should not be exercised by him for personal or partisan advantage. He should not permit his appointments to be controlled by others than himself. He should also avoid nepotism and undue favoritism in his appointments.

While not hesitating to fix or approve just amounts, he should be most scrupulous in granting or approving compensation for the services or charges of such appointees to avoid excessive allowances, whether or not excepted to or complained of. He cannot rid himself of this responsibility by the consent of counsel.

13. Kinship or Influence.

A judge should not act in a controversy where a near relative is a party; he should not suffer his conduct to justify the impression that any person can improperly influence him or unduly enjoy his favor, or that he is affected by the kinship, rank, position of influence of any party or other person.

14. Independence.

A judge should not be swayed by partisan demands, public clamor or considerations of personal popularity or notoriety, nor be apprehensive of unjust criticism.

15. Interference in Conduct of Trial.

A judge may properly intervene in a trial of a case to promote expedition, and prevent unnecessary waste of time, or to clear up some obscurity, but he should bear in mind that his undue interference, impatience, or participation in the examination of witnesses, or a severe attitude on his part toward witnesses, especially those who are excited or terrified by the unusual circumstances of a trial, may tend to prevent the proper presentation of the cause, or the ascertainment of the truth in respect thereto.

Conversation between the judge and counsel in court is often necessary, but the judge should be studious to avoid controversies which are apt to obscure the merits of the dispute between litigants and lead to its unjust disposition. In addressing counsel, litigants, or witnesses, he should avoid a controversial manner or tone.

He should avoid interruptions of counsel in their arguments except to clarify his mind as to their positions, and he should not be tempted to the unnecessary display of learning or a premature judgment.

16. Ex Parte Applications.

A judge should discourage ex parte hearings of applications for injunctions and receiverships where the order may work detriment to absent parties; he should act upon such ex parte applications only where the necessity for quick action is clearly shown; if this be demonstrated then he should endeavor to counteract the effect of the absence of opposing counsel by a scrupulous cross-examination and investigation as to the facts and the principles of law on which the application is based, granting relief only when fully satisfied that the law permits it and the emergency demands it. He should remember that an injunction is a limitation upon the freedom of action of defendants and should not be granted lightly or inadvisedly. One applying for such relief must sustain the burden of showing clearly its necessity and this burden is increased in the absence of the party whose freedom of action is sought to be restrained even though only temporarily.

17. Ex Parte Communications.

A judge should not permit private interviews, arguments or communications designed to influence his judicial action, where interests to be affected thereby are not represented before him, except in cases where provision is made by law for ex parte application.

While the conditions under which briefs of arguments are to be received are largely matters of local rule of practice, he should not permit the contents of such brief presented to him to be concealed from opposing counsel. Ordinarily all communications of counsel to the judge intended or calculated to influence action should be made known to opposing counsel.

18. Continuances.

Delay in the administration of justice is a common cause of complaint; counsel are frequently responsible for this delay. A judge, without being arbitrary or forcing cases unreasonably or unjustly to trial when unprepared, to the detriment of parties, may well endeavor to hold counsel to a proper appreciation of their duties to the public interest, to their own clients, and to the adverse party and his counsel, so as to enforce due diligence in the dispatch of business before the court.

19. Judicial Opinions.

In disposing of controverted cases, a judge should indicate the reasons for his action in an opinion showing that he has not disregarded or overlooked serious arguments of counsel. He thus shows his full understanding of the case, avoids the suspicion of arbitrary conclusion, promotes confidence in his intellectual integrity and may contribute useful precedent to the growth of the law.

It is desirable that Courts of Appeal in reversing cases and granting new trials should so indicate their views on questions of law argued before them and necessarily arising in the controversy that upon the new trial counsel may be aided to avoid the repetition of erroneous positions of law and shall not be left in doubt by the failure of the court to decide such questions.

But the volume of reported decisions is such and is so rapidly increasing that in writing opinions which are to be published judges may well take this fact into consideration, and curtail them accordingly, without substantially departing from the principles stated above.

It is of high importance that judges constituting a court of last resort should use effort and self-restraint to promote solidarity of conclusion and the consequent influence of judicial decision. A judge should not yield to pride of opinion or value more highly his individual reputation than that of the court to which he should be loyal. Except in case of conscientious difference of opinion on fundamental principle, dissenting opinions should be discouraged in courts of last resort.

20. Influence of Decisions upon the Development of the Law.

A judge should be mindful that his duty is the application of general law to particular instances, that ours is a government of law and not of men, and that he violates his duty as a minister of justice under such a system if he seeks to do what he may personally consider substantial justice in a particular case and disregards the general law as he knows it to be binding on him. Such action may become a precedent unsettling accepted principles and may have detrimental consequences beyond the immediate controversy. He should administer his office with a due regard to the integrity of the system of the law itself, remembering that he is not a depositary of arbitrary power, but a judge under the sanction of law.

21. Idiosyncrasies and Inconsistencies.

Justice should not be moulded by the individual idiosyncrasies of those who administer it. A judge should adopt the usual and expected method of doing justice, and not seek to be extreme or peculiar in his judgment, or spectacular or sensational in the conduct of the court. Though vested with discretion in the imposition of mild or severe sentences he should not compel persons brought before him to submit to some humiliating act or discipline of his own devising, without authority of law, because he thinks it will have a beneficial corrective influence.

In imposing sentence he should endeavor to conform to a reasonable standard of punishment and should not seek popularity or publicity either by exceptional severity or undue leniency.

22. Review.

In order that a litigant may secure the full benefit of the right of review accorded to him by law, a trial judge should scrupulously grant to the defeated party opportunity to present the questions arising upon the trial exactly as they arose, were presented, and decided, by full and fair bill of exceptions or otherwise; any failure in

this regard on the part of the judge is peculiarly worthy of condemnation because the wrong done may be irremediable.

23. Legislation.

A judge has exceptional opportunity to observe the operation of statutes, especially those relating to practice; and to ascertain whether they tend to impede the unjust disposition of controversies; and he may well contribute to the public interest by advising those having authority to remedy defects of procedure, of the result of his observation and experience.

24. Inconsistent Obligations.

A judge should not accept inconsistent duties, nor incur obligations, pecuniary or otherwise, which will in any way interfere or appear to interfere with his devotion to the expeditious and proper administration of his official functions.

25. Business Promotions and Solicitations for Charity.

A judge should avoid giving ground for any reasonable suspicion that he is utilizing the power or prestige to his office to persuade or coerce others to patronize or contribute, either to the success of private business ventures, or to charitable enterprises. He should, therefore, not enter into such private business, or pursue such a course of conduct, as would justify such suspicion, nor use the power of his office or the influence of his name to promote the business interests of others; he should not solicit for charities, nor should he enter into any business relation which, in the normal course of events reasonably to be expected, might bring his personal interest into conflict with the impartial performance of his official duties.

26. Personal Investments and Relations.

A judge should abstain from making personal investments in enterprises which are apt to be involved in litigation in the court; and, after his accession to the Bench, he should not retain such investments previously made, longer than a period sufficient to enable him to dispose of them without serious loss. It is desirable that he should, so far as reasonably possible, refrain from all relations which would normally tend to arouse the suspicion that such relations warp or bias his judgment, or prevent his impartial attitude of mind in the administration of his judicial duties.

He should not utilize information coming to him in a judicial capacity for purposes of speculation; and it detracts from the public confidence in his integrity and the soundness of his judicial judgment for him at any time to become a speculative investor upon the hazard of a margin.

27. Executorships and Trusteeships.

While a judge is not disqualified from holding executorships or trusteeships, he should not accept or continue to hold any fiduciary or other position if the holding of it would interfere or seem to interfere with the proper performance of his judicial duties, or if the business interests of those represented require investments in enterprises that are apt to come before him judicially, or to be involved in questions of law to be determined by him.

28. Partisan Politics.[1]

While entitled to entertain his personal views of political questions, and while not required to surrender his rights or opinions as a citizen, it is inevitable that suspicion of being warped by political bias will attach to a judge who becomes the active promoter of the interests of one political party as against another. He should avoid making political speeches, making or soliciting payment of assessments or contributions to party funds, except as required by law, the public endorsement of candidates for political office and participation in party conventions.

"He should neither accept nor retain a place on any party committee nor act as party leader, nor engage generally in partisan activities."[2]

29. Self-Interest.

A judge should abstain from performing or taking part in any judicial act in which his personal interests are involved. If he has personal litigation in the court of which he is judge, he need not resign his judgeship on that account, but he should, of course, refrain from any judicial act in such a controversy.

30. Candidacy for Office.

A candidate for judicial position should not make or suffer others to make for him, promises of conduct in office which appeal to the cupidity or prejudices of the appointing or electing power; he should not announce in advance his conclusions of law on disputed issues to secure class support, and he should do nothing while a candidate to create the impression that if chosen, he will administer his office with bias, partiality or improper discrimination.

While holding a judicial position he should not become an active candidate either at a party primary or at a general election for any office other than a judicial office. If a judge should decide to become a candidate for any office not judicial, he should resign in order that it cannot be said that he is using the power or prestige of his judicial position to promote his own candidacy or the success of his party.

If a judge becomes a candidate for any judicial office, he should refrain from all conduct which might tend to arouse reasonable suspicion that he is using the power or prestige of his judicial position to promote his candidacy or the success of his party.

He should not permit others to do anything in behalf of his candidacy which would reasonably lead to such suspicion.

[1] In 1950 the American Bar Association amended Canon 28 to read as follows:

"28. Partisan Politics. While entitled to entertain his personal views of political questions, and while not required to surrender his rights or opinions as a citizen, it is inevitable that suspicion of being warped by political bias will attach to a judge who becomes the active promoter of the interests of one political party as against another. He should avoid making political speeches, making or soliciting payment of assessments or contributions to party funds, the public endorsement of candidates for political office and participation in party conventions.

"He should neither accept nor retain a place on any party committee nor act as party leader, nor engage generally in partisan activites.

"Where however, it is necessary for judges to be nominated and elected as candidates of a political party, nothing herein contained shall prevent the judge from attending or speaking at political gatherings, or from making contributions to the campaign funds of the party that has nominated him and seeks his election or re-election."

[2] As amended by the Supreme Court of Florida, November 17, 1958.

31. Private Law Practice.

In many states the practice of law by one holding judicial position is forbidden. In superior courts of general jurisdiction, it should never be permitted. In inferior courts in some states, it is permitted because the county or municipality is not able to pay adequate living compensation for a competent judge. In such cases one who practices law is in a position of great delicacy and must be scrupulously careful to avoid conduct in his practice whereby he utilizes or seems to utilize his judicial position to further his professional success.

He should not practice in the court in which he is a judge, even when presided over by another judge, or appear therein for himself or any controversy.

If forbidden to practice law, he should refrain from accepting any professional employment while in office.

He may properly act as arbitrator or lecture upon or instruct in law, or write upon the subject, and accept compensation therefor, if such course does not interfere with the due performance of his judicial duties, and is not forbidden by some positive provision of law.

32. Gifts and Favors.

A judge should not accept any presents or favors from litigants, or from lawyers practising before him or from others whose interests are likely to be submitted to him for judgment.

33. Social Relations.

It is not necessary to the proper performance of judicial duty that a judge should live in retirement or seclusion; it is desirable that, so far as reasonable attention to the completion of his work will permit, he continue to mingle in social intercourse, and that he should not discontinue his interest in or appearance at meetings of members of the Bar. He should, however, in pending or prospective litigation before him be particularly careful to avoid such action as may reasonably tend to awaken the suspicion that his social or business relations or friendships constitute an element in influencing his judicial conduct.

34. A Summary of Judicial Obligation.

In every particular his conduct should be above reproach. He should be conscientious, studious, thorough, courteous, patient, punctual, just, impartial, fearless of public clamor, regardless of public praise, and indifferent to private political or partisan influences; he should administer justice according to law, and deal with his appointments as a public trust; he should not allow other affairs or his private interests to interfere with the prompt and proper performance of his judicial duties, nor should he administer the office for the purpose of advancing his personal ambitions or increasing his popularity.

35. Improper Publicizing of Court Proceedings.

Proceedings in court should be conducted with fitting dignity and decorum. The taking of photographs in the court room, during sessions of the court or recesses between sessions, and the broadcasting or televising of court proceedings tend to detract from the essential dignity of the proceedings, distract the witness in giving his testimony, disturb the court, and create misconceptions with respect thereto in the mind of the public and should not be permitted.

Provided that this restriction shall not apply to photographing the broadcasting or televising, under the supervision of the court, of ceremonial proceedings or of such portions of naturalization proceedings (other than the interrogation of applicants) as are designed and carried out exclusively as a ceremony for the purpose of publicly demonstrating in an impressive manner the essential dignity and the serious nature of naturalization.

36. Conduct of Court Proceedings.

Proceedings in court should be so conducted as to reflect the importance and seriousness of the inquiry to ascertain the truth.

The oath should be administered to witnesses in a manner calculated to impress them with the importance and solemnity of their promise to adhere to the truth. Each witness should be sworn separately and impressively at the bar or the court, and the clerk should be required to make a formal record of the administration of the oath, including the name of the witness.

BY-LAWS OF THE YOUNG LAWYERS SECTION

Article I
OBJECTS

The Young Lawyers Section of The Florida Bar is formed for the purpose of fostering discussion and interchange of ideas relative to the duties, responsibilities and problems of the younger members of the legal profession, aiding and promoting their advancement, encouraging their interest and participation in the activities of The Florida Bar and in general to further the purposes and objects of The Florida Bar.

Article II
MEMBERSHIP

All members of The Florida Bar who have not yet reached the age of thirty-six shall be enrolled as members of the Young Lawyers Section; provided, however, that any member who shall reach the age of 36 years shall be entitled to the rights and privileges of membership for the remainder of the fiscal year in which his 36th birthday occurs.

Article III
OFFICERS

The officers of the Young Lawyers Section shall be a President, a President-elect, a Secretary, and a Treasurer.

A President-elect, a Secretary and a Treasurer shall be elected by the Board of Governors of the Section at a meeting held preceding the annual business meeting of the Section to be held in conjunction with the annual meeting of The Florida Bar.

In the event the President is absent or unable to act, his duties shall be performed by the President-elect, and in the absence of the President and President-elect such duties shall be performed by the Secretary, and in the absence of all of the foregoing officers, such duties shall be performed by the Treasurer. In the event of the death or resignation of the President, the President-elect shall serve as President during the remainder of the term of the office thus vacated, and then shall serve as President for the term for which he was elected. In the event the President-elect is absent or unable to act, or has become the President as provided herein, the Board of Governors shall select an acting President-elect to hold office until a successor shall have been elected by the Board of Governors of the Section at the next annual meeting or at a special election held pursuant to the direction of the Board of Governors. In the event of the death or disability of both the President and the President-elect, the Board of Governors shall elect an acting President and an acting President-elect of the Young Lawyers Section to hold office until the next succeeding annual meeting at which meeting a President shall be elected for the succeeding year in addition to the other officers mentioned above. The Board of Governors shall fill by appointment any vacancy occurring in the office of Secretary or Treasurer of the Young Lawyers Section and it may designate one of its members to perform temporarily the duties of

a Chairman in case of the absence or inability to act of an elected officer.

No active member of the Section shall be ineligible for election to any of the foregoing offices by reason of the fact that as a representative or representative-elect from a judicial circuit he is a member or member-elect of the Board of Governors; but anyone elected to any such office shall be entitled to cast only one vote on matters of business coming before the Board of Governors for consideration.

Article IV
ELECTION OF OFFICERS

All officers shall be elected by the Board of Governors at a meeting thereof held immediately preceding the annual meeting of the Young Lawyers Section and shall hold office until the adjournment of the next annual meeting of the Young Lawyers Section and until their successors are elected and qualified. The same person shall not serve as President for two successive years except that a President-elect who serves the unexpired term of a President shall be entitled to serve as President during the term for which he was elected, pursuant to the provisions of Article III hereof. A majority of votes cast at such meeting shall be necessary to the election of all officers, and such vote in all cases shall be by written ballot unless waived by a two-thirds vote of the members of the Board of Governors present and voting at such meeting.

The Nominating Committee to nominate all officers and members of the Board of Governors shall consist of the President, who shall act as chairman, but shall have no vote on the committee, and one member from each of the judicial circuits as hereafter provided.

Prior to the convening of the annual meeting of The Florida Bar, the President of the Young Lawyers Section shall appoint one person from each judicial circuit to the Nominating Committee of the Young Lawyers Section.

Such Nominating Committee shall meet before said Board of Governors meeting provided for herein for the election of officers and it shall be the duty of the President, as chairman thereof, to notify all the members thereof of the time and place of such meeting or meetings; and the Nominating Committee shall nominate at least two candidates for each office for the ensuing year. The President shall make a written report of such nominations to the proper meeting entitled to act thereon and shall certify that the notice of all meetings of said committee has been given by him as hereinabove provided.

Article V
PRESIDENT

The President shall preside at all regular meetings of the Section, and shall be a member and chairman of the Board of Governors. He shall perform such other duties as the Board of Governors may from time to time prescribe.

Article VI
SECRETARY

The Secretary shall be a member of the Board of Governors, and shall keep the record of the proceedings of the Young Lawyers Section and of the Board of

Governors, keep a roll of the members, attend to correspondence and issue notices of meeting, subject to the control of the Board of Governors, and perform such other duties as these regulations and the Board of Governors may require.

Article VII
TREASURER

The Treasurer shall be a member of the Board of Governors, and shall account for all funds of the Young Lawyers Section. He shall certify to the Executive Director of The Florida Bar for payment of all expenses incurred in behalf of the Young Lawyers Section and shall cooperate with the Executive Director of The Florida Bar in matters relating to the fiscal affairs of the Young Lawyers Section. The Treasurer, immediately on assuming office, shall, under the direction of the President and Board of Governors, prepare a budget to be submitted to the Board of Governors of The Florida Bar, for its approval.

Article VIII
BOARD OF GOVERNORS

There shall be a Board of Governors of the Young Lawyers Section, to be composed of the President, President-elect, Secretary, Treasurer and one or more members from each judicial circuit, the number of such members from each circuit to be the same as the number of members that such circuit shall have upon the Board of Governors of The Florida Bar. The members of the Board of Governors shall be elected at the annual business meeting out of the members of the Section and shall take office immediately upon the adjournment of the annual meeting of the Young Lawyers Section following their election.

The members of the Board of Governors from each judicial circuit shall be elected by the active members of the Young Lawyers Section residing in such judicial circuit, who shall be present and who shall vote at the annual meeting. The Nominating Committee designated in Article IV shall, prior to the annual business meeting of the Section, nominate to the Board of Governors of the Section members from the circuits whose terms expire according to this Article VIII. The Nominating Committee shall certify its nominations in writing to the President and shall make its report at the annual business meeting of the Section. Five (5) members of the Young Lawyers Section from any one judicial circuit may nominate any person from that circuit to the Board of Governors of the Young Lawyers Section provided a nominating petition signed by said (5) members has been received by the President and the Secretary of the Young Lawyers Section at least thirty (30) days prior to the convening of the annual meeting of The Florida Bar. Each elected member shall hold office for two (2) years and until his successor is elected and qualified. The members representing the odd numbered circuits shall be elected in odd numbered years; the members representing the even numbered circuits shall be elected in even numbered years. "I don't want to talk about it."

We don't want to talk about it if we don't have it. Or if we do have it. Or if someone close died of it.

Cancer exists. You can't afford to say you don't want to talk about it. Cancer is not necessarily a death sentence. Because many cancers can be cured if detected early and treated promptly. A health check-up once a year, every year, is your best protection.

Science today is able to save 1 in 3 cancer patients. It could save 1 in 2. If people went to their doctors in time.

"I don't want to talk about it" is not enough of an answer to the challenge of cancer. Do something about it. Fight cancer. With a checkup. And a check to your local Unit of the

American Cancer Society

8 out of 10 people have iatrophobia.* It is easy to overcome.

*Iatrophobia is fear of going to the doctor. The cure starts when you lift your phone and make an appointment with your doctor for a complete physical checkup.

Half the cases of cancer could be cured, if they were diagnosed early and treated promptly. Your best cancer insurance is a health check-up every year.

Make that phone call now. It might save your life.

FLORIDA JUDICIAL QUALIFICATIONS COMMISSION RULES*

Rule 1. SCOPE AND TITLE

These rules apply to all proceedings before the Judicial Qualifications Commission and referees involving the discipline, retirement or removal of justices of the supreme court and judges of the district courts of appeal and circuit courts, pursuant to section 17A, Article V of the Constitution of the State of Florida. These rules shall be known and cited as Florida Judicial Qualifications Commission Rules and may be abbreviated as "FJQCR."

Rule 2. DEFINITIONS

In these rules, unless the context or subject matter otherwise requires:

(a) "Commission" means the Judicial Qualifications Commission.

*Adopted by the Supreme Court of Florida March 6, 1968.

(b) "Judge" means a justice of the supreme court and a judge of a district court of appeal and circuit court.

(c) "Chairman" includes the acting chairman.

(d) "Referees" means special referees appointed by the Supreme Court upon request of the Commission.

(e) "Presiding referee" means the referee so designated by the Supreme Court or, in the absence of such designation, the justice or judge first named in the order appointing referees.

(f) "Counsel" means the lawyer designated by the Commission to gather and present evidence before the referees or Commission with respect to the charges against a judge and to represent the Commission before the Supreme Court in connection with any proceedings before said court.

(g) "Shall" is mandatory and "may" is permissive.

(h) "Mail" and "mailed" include ordinary mail and personal delivery.

(i) The masculine gender includes the feminine gender.

Rule 3. QUORUM OF COMMISSION

A quorum for the transaction of business by the Commission shall be six members of the Commission except as otherwise provided in these rules.

Rule 4. INTERESTED PARTY

A judge who is a member of the Commission or of the Supreme Court shall be disqualified from participation in such capacity in any proceedings involving his own discipline, retirement or removal.

Rule 5. DISQUALIFICATION OF MEMBERS OF COMMISSION AND REFEREES

(a) Whenever any judge against whom formal proceedings have been instituted as provided in these Rules shall make and file with the Commission an affidavit that he fears that he will not receive a fair hearing before the Judicial Qualifications Commission on the charges because of the prejudice of one or more members of the Commission against him, and the facts stated as the basis for making the said affidavit shall be supported in substance by affidavit of at least two reputable citizens of the State of Florida not of kin to the judge or his attorney, or if any member of the Commission shall voluntarily recuse himself, such member or members of the Commission shall proceed no further therein and shall be disqualified from hearing said charges. Every such affidavit of a judge shall state the facts and the reasons for the belief that any such prejudice exists, shall specify the members of the Commission allegedly prejudiced, and shall be filed not more than 15 days after service of the notice of formal proceedings upon the judge charged. The Commission shall make ad hoc appointments of a person or persons to take the place of the member or members of the Commission so disqualified, but each member so disqualified may participate in the action of the Commission in making such ad hoc appointments. Each ad hoc appointee shall be from the same category as the disqualified member as set forth in section 17A(2) of Article V of the Constitution of the State of Florida. The judge may within 15 days after receiving notice of any ad hoc appointment file a like affidavit as to said appointee, which shall be supported in substance by affidavit of two citizens as set forth above, in which event said ad hoc appointee shall not be disqualified on account of alleged prejudice against said judge unless said appointee admits that it is

then a fact that he is prejudiced against said judge, or unless a majority of the Commission, which may include any ad hoc appointee, holds that said appointee is prejudiced against the judge; in which event the same ad hoc appointment procedure set forth above shall be followed until a qualified person has been appointed.

(b) Whenever a judge against whom formal proceedings have been instituted as provided in these rules shall make and file with the Commission an affidavit that he fears that he will not receive a fair hearing on said charges before the Judicial Qualifications Commission because of the prejudice against him of one or more of the referees appointed by the Supreme Court, and the facts stated as the basis for making the said affidavit shall be supported in substance by affidavit of at least two reputable citizens of the State of Florida not of kin to the judge or his attorney, or if any referee shall voluntarily recuse himself, the Commission shall promptly forward said affidavit or notice of any recusal to the Chief Justice of the Supreme Court of Florida and the Supreme Court shall take such action thereon as may be appropriate. Every such affidavit of a judge shall state the facts and the reasons for the belief that any such prejudice exists, shall specify the referee allegedly prejudiced, and shall be filed not more than 15 days after service upon the judge of the names of the referees appointed by the Supreme Court.

It is further provided that a judge moved against by the Commission may by affidavit suggest the disqualification of a member or members of the Commission or a referee or referees unsupported by two citizens, but in such event the determination of the matter of disqualification shall be by majority vote of the Commission unless the person sought to be disqualified voluntarily disqualified himself.

Rule 6. CONFIDENTIALITY OF PROCEEDINGS

(a) Subject to the provisions of Rule 29, all papers and pleadings filed with and the proceedings before the Commission, or before the referees, shall be confidential until a record recommending retirement or removal is filed by the Commission in the Supreme Court. A record filed by the Commission in the Supreme Court recommending private reprimand shall remain confidential.

(b) All notices, papers and pleadings mailed to a judge pursuant to these rules shall be enclosed in a cover marked confidential.

(c) Every witness in every proceeding under these rules shall be sworn to tell the truth and not to disclose the existence of the proceeding or the identity of the judge until the proceeding is no longer confidential under these rules. Violation of the oath shall be an act of contempt of the Commission.

Rule 7. DEFAMATORY MATERIAL

The filing of papers with or the giving of testimony before the Commission or before the referees shall be privileged in any action for defamation. No other publication of such papers or proceedings shall be so privileged except that the record filed by the Commission in the Supreme Court continues to be privileged.

Rule 8. INVESTIGATION

(a) The Commission, upon receiving a verified statement, not obviously unfounded or frivolous, alleging facts indicating that a judge is guilty of willful or persistent failure to perform his duties or habitual intemperance or conduct unbecoming a member of the judiciary or that he has a disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in

nature, shall make such investigation as it deems necessary to determine whether formal proceedings should be instituted and a hearing held. The Commission without receiving a verified statement may make such investigation on its own motion.

(b) The judge has no right to be present or to be heard during an investigation, but before the Commission determines that there is sufficient cause to warrant formal proceedings, the judge shall be notified of the investigation, the nature of the charge, and the name of the person making the verified statement, if any, or that the investigation is on the Commission's own motion, and, shall be afforded reasonable opportunity to make a statement, personally or by counsel, verbally or in writing, sworn or unsworn, explaining, refuting or admitting the alleged misconduct or disability. The judge shall not have the right to present other testimony or evidence, and he shall not have the right of confrontation or cross-examination of the person making the verified statement or any person interviewed, called or interrogated by the Commission. Such notification shall be given by registered or certified mail addressed to the judge at his chambers and at his last known residence.

(c) If the investigation does not disclose sufficient cause to warrant further proceedings, the judge shall be so notified.

(d) If the investigation does disclose sufficient cause to warrant further proceedings, the Commission shall designate one or more counsel who shall be members of The Florida Bar and who shall prepare appropriate papers and pleadings, gather and present evidence before the Commission or referees with respect to the charges against the judge, and otherwise act as counsel in connection with the prosecution of the charges against the judge including the representation of the Commission before the Supreme Court in connection with any proceedings before said court.

Rule 9. NOTICE OF FORMAL PROCEEDINGS

(a) After the investigation has been completed, if the Commission concludes that formal proceedings should be instituted it shall direct the counsel designated by the Commission without delay to give written notice to the judge advising him of the institution of formal proceedings to inquire into the charges against him. Such proceedings shall be entitled:

"BEFORE THE FLORIDA JUDICIAL
QUALIFICATIONS COMMISSION

Inquiry Concerning a Judge, No. _____."

(b) The notice shall be issued in the name of the Commission and specify in ordinary and concise language the charges against the judge and the alleged facts upon which such charges are based, and shall advise the judge of his right to file a written answer to the charges against him within 20 days after service of the notice upon him. No charge shall be sufficient if it merely recites the general language of a charge in Rule 8(a), but must specify the facts relied upon to support a particular charge.

(c) The notice shall be served by the personal delivery of a copy thereof to the judge, but if it appears to the chairman of the Commission upon affidavit that, after reasonable effort for a period of 10 days, personal delivery could not be made, service may be made upon the judge by registered or certified mail addressed to the judge at his chambers and at his last known residence.

Rule 10. ANSWER

Within 20 days after service of the notice of formal proceedings the judge may file with the Commission a signed original and one copy of an answer, and shall serve a copy on the counsel by mail.

Rule 11. SETTING FOR HEARING BEFORE COMMISSION OR REFEREES

Upon the filing of an answer or upon the expiration of the time for its filing, the Commission shall order a hearing to be held before it concerning the discipline, retirement or removal of the judge, or shall request the Supreme Court to appoint three special referees who shall be active or retired justices or judges of courts of record to hear and take evidence in such matter and to report thereon to the Commission. The Commission shall set a time and a place in the county in which the judge involved resides for a hearing before itself or before the referees, and shall give notice of such hearing by mail to the judge, the referees and to the counsel at least 20 days prior to the date set.

Rule 12. HEARING

(a) At the time and place set for hearing, the Commission, or the referees when the hearing is before referees, may proceed with the hearing whether or not the judge has filed an answer or appears at the hearing.

(b) The failure of the judge to answer or to appear at the hearing, standing alone, shall not be taken as evidence of the truth of the facts alleged to constitute grounds for discipline, retirement or removal. In any proceeding for involuntary retirement for disability, the failure of the judge to testify in his own behalf or to submit to a medical examination requested by the Commission or the referees may be considered, unless it appears that such failure was due to circumstances beyond his control.

(c) The proceedings at the hearing shall be reported verbatim.

(d) When the hearing is before the Commission, not less than three members shall be present when the evidence is produced.

Rule 13. EVIDENCE

At a hearing before the Commission or referees, legal evidence only shall be received, and oral evidence shall be taken only on oath or affirmation.

Rule 14. PROCEDURAL RIGHTS OF JUDGE

(a) In formal proceedings involving his discipline, retirement or removal, a judge shall have the right and reasonable opportunity to defend against the charges by the introduction of evidence, to be represented by counsel, and to examine and cross-examine witnesses. He shall also have the right to the issuance of subpoenas for attendance of witnesses to testify or produce books, papers, and other evidentiary matter.

(b) When a transcript of the testimony has been prepared at the expense of the Commission, a copy thereof shall be furnished without cost to the judge. The judge shall have the right, without any order or approval, to have all or any portion of the testimony in the proceedings transcribed at his expense.

(c) Except as herein otherwise provided, whenever these rules provide for giving notice of sending any matter to the judge, such notice or matter shall be sent to the

judge at his residence unless he requests otherwise in writing, and a copy thereof shall be mailed to his attorney of record.

(d) If the judge is adjudged insane or incompetent, the Commission shall appoint an attorney ad litem unless the judge has a guardian who will represent him. The guardian or attorney ad litem may claim and exercise any right and privilege and make any defense for the judge with the same force and effect as if claimed, exercised, or made by the judge, if competent, and whenever these rules provide for serving or giving notice or sending any matter to the judge, a copy of such notice or matter also shall be served, given, or sent to the guardian or attorney ad litem.

Rule 15. AMENDMENTS TO NOTICE OR ANSWER

The referees, at any time prior to the conclusion of the hearing, or the Commission, at any time prior to its determination, may allow or require amendments to the notice of formal proceedings and may allow amendments to the answer. The notice may be amended to conform to proof or to set forth additional facts, whether occurring before or after the commencement of the hearing. In case such an amendment is made, the judge shall be given reasonable time both to answer the amendment and to prepare and present his defense against the matters charged thereby.

Rule 16. REPORT OF REFEREES

(a) After the conclusion of the hearing before the referees, they shall promptly prepare and transmit to the Commission a report which shall contain a brief statement of the proceedings and their recommended findings of fact with respect to issues presented by the notice of formal proceedings and the answer thereto, or if there be no answer, their recommended findings of fact with respect to the allegations in the notice of formal proceedings. The recommended findings of facts by the referees shall not be binding upon the Commission even though supported by substantial competent evidence. An original and four copies of the report shall be submitted which shall be accompanied by an original and four copies of a transcript of the proceedings before the referees.

(b) Upon receiving the report of the referees, the Commission shall promptly mail a copy of the report and transcript to the judge and also to the counsel.

Within 15 days after mailing of the copy of the report of referees to the judge, the counsel or the judge may fil with the Commission an original and one copy of objections to the report of referees, setting forth objections to the report and reasons in opposition to the recommended findings. A copy of objections filed by the counsel shall be sent by the counsel by mail to the judge. A copy of objections filed by the judge shall be sent by the judge by mail to the counsel.

Rule 18. APPEARANCE BEFORE COMMISSION

If no objections to the report of referees are filed within the time provided, the Commission may adopt the recommended findings of the referees without a hearing. If such objections are filed, or if the Commission in the absence of such objections proposes to modify or reject the recommended findings of the referees, the

Commission shall give the judge and the counsel an opportunity to be heard orally before the Commission, and written notice of the time and the place of the hearing in the county in which the judge resides shall be mailed to the judge and to the counsel at least 10 days prior thereto.

Rule 19. EXTENSION OF TIME

The chairman of the Commission may extend the time for filing an answer, for the commencement of a hearing before the Commission, and for filing objections to the report of the referees, and the presiding referee with the approval of the chairman of the Commission may extend the time for the commencement of a hearing before referees.

The order shall set the time and the place of the hearing in the county in which the judge resides and shall indicate the matters on which the evidence is to be taken. A copy of such order shall be sent by mail to the judge and to the counsel at least 10 days prior to the date of hearing.

(b) In any case in which referees have been appointed, the hearing of additional evidence shall be before such referees, and the proceedings therein shall be in conformance with the provisions of rules 12 and 19 inclusive.

Rule 21. COMMISSION VOTE

If the Commission finds good cause, it shall recommend to the Supreme Court the discipline, retirement or removal of the judge. When the hearing was held before referees the affirmative vote of six members of the Commission is required for a recommendation of discipline, retirement or removal of a judge. When the hearing was held before the Commission without referees the affirmative vote of six members of the Commission, including a majority of those who were present at the hearing or hearings when the evidence was produced, is required for a recommendation of discipline, retirement or removal of a judge.

Rule 22. RECORD OF COMMISSION PROCEEDINGS

The Commission shall keep a record of all formal proceedings concerning a judge. The Commission's determination shall be entered in the record and notice thereof shall be mailed to the judge and to the counsel. In all formal proceedings resulting in a recommendation to the Supreme Court for discipline, retirement or removal, the Commission shall prepare a transcript of the evidence and of all proceedings therein and shall make written findings of fact and conclusions of law with respect to the issues of fact and law in the proceedings.

Rule 23. CERTIFICATION OF COMMISSION RECOMMENDATION TO SUPREME COURT

promptly mail to the judge and to the counsel notice of such filing, together with a copy of such recommendation, findings, and conclusions.

Rule 24. REVIEW OF COMMISSION PROCEEDINGS

If the name of the judge shall become of public record, the court having jurisdiction in the contempt proceeding shall take appropriate steps to preserve the confidentiality of the inquiry proceedings concerning the judge, and shall consider whether or not the person responsible for the making of the name of the judge of public record is also guilty of contempt under these Rules.

Are you trying to practice law without Florida's new court rules?

The Supreme Court of Florida amended all rules of procedure on June 19, 1968. These amendments are effective September 30, 1968, and will remain unchanged, except in the case of an emergency, until 1972.

Don't go to court without knowing what procedures are now being required! The headquarters office of The Florida Bar has published the rules in six separate sets for your convenience. These are available for $1 each, the cost of printing and handling. Only a limited number was printed, so order yours today by using the order form below:
